

# LADIES

*Please Help Yourself*

*So happy you are sharing our special day!  
But just in case something should go astray,  
Please help yourself to the contents within,  
Saftey Pins, Lotions or Even Aspirin.  
Use what you need, and leave the rest;  
It may also be useful to another guest.  
Repair the damage that may have been done,  
Then hurry back and join the fun!*
