

Thank You

We are blessed to have so many wonderful people
choose to share their lives with us.

We would like to thank our amazing parents
for all the love and support they've given us
throughout our lives and during this special time.

They are both role models and friends,
amongst the kindest and loving people we know.

We thank each and every member of our Wedding Party.

We are truly honored to have our family and friends
by our side for our special day.

Our day would not be complete without you here.

And to the family and friends who joined us today,
in some cases traveling from far away,

Thank you for making such an effort to share this day with us.

We also honor and remember family and friends that could not be here today.

We love you and will be thinking of you.

Love,
Kimberly & Jason
