## A special space...

Little Miracles' front lobby, also known as our Miracle Boutique, is a welcoming place where families can connect and find various seasonal and holiday items for their young children. Some items available throughout the year are Easter outfits, swimsuits, Halloween costumes, and Christmas clothing. And for our littlest sports fans, we also have plenty of Giant's, A's, Warriors, and 49er's gear available!

Our clients feel excited to fill a bag as an added gift when arriving to receive their baby essentials.

## Cassandra's Story: Dreaming big for herself and her children

Five months ago, Cassandra and her family moved from Las Vegas to the Tri-Valley so her husband could start a new job in the Bay Area. Five months before that, she was laid off from her job and decided to return to college to finish her degree.

Even with renting a small apartment, their moving expenses, lack of employment, and the increased cost of living in the Tri-Valley have all been significant. Little Miracles' assistance has helped alleviate some of her financial worries.

Cassandra has an 18-month-old toddler named Brianna and is also preparing for a new baby in late June, which will be shortly after graduating in May from Arizona State University with her Bachelor's Degree in Interdisciplinary Studies with a concentration in Public Health and Communications. Her dreams are big...for herself and for her children.

When asked about her hopes and dreams for her children, she responded, "For all of my children to obtain the highest educational degree possible and choose a career/profession that makes them happy and live long, healthy lives." She closed with, "Thank you, Little Miracles, for being there for my family, especially during such a time of need!"

Thanks to each one of you for your investment of time, money, and interest in supporting our local parents-in-need!

In sincere gratitude,  
Cofounders, Melissa Dantzig and Diana Keller

P.S. Diapers are our most requested baby essential...for just \$80, you can provide a monthly supply for a baby in need.
