DECEMBER 29, 2020

First and foremost, thank you for being a donor and supporter of the Bouchedid Foundation! With your help including fundraising on [Facebook](#), #GivingTuesday Match and [AmazonSmile](#), we were able to help improve the lives of many children and families this Holiday Season!

We were able to issue grants to many of our remarkable [portfolio charities](#) this year covering a wide variety of critical causes and lifesaving missions including but not limited to:

- Homelessness
- Children and Family Wellness
- Autism and Special Needs
- Cystic Fibrosis
- Clean Water
- Child and Family Hunger
- Domestic Violence
- Health Services and Disease Prevention
- Sexual Exploitation and Child Trafficking

We are also pleased to announce that our web site will be starting the new year with a completely new look and feel! You can check out the new web site at www.BouchedidFoundation.org. Our plan for 2021 is to further develop and enhance [CHARITYTRAO](#), our donation management software, and push out exciting new releases and improvements.

In the meantime, please go to www.BouchedidFoundation.org now and give what you can -- there's no amount too small because there is strength in numbers. And, remember that I will personally match any monthly recurring pledges for a total of \$10,000 this year. The people we help can't wait -- neither can we.

Thank you for your generous support.

Warm regards,
