

Make Putt-Putt Happen

FOUNDING PUTTERS

The Putt-Putt Drive is on! We are not puttering around ...yet!

We are trying to raise funds to create a 3-hole Putt-Putt Course (mini golf) around the Ramada. We feel this could be an added bonus to the fun had at our social gatherings, along with the use by residents with their guests, or just for your own puttering around..

The Total Cost of the project is approximately \$5,000. We are kickstarting our Drive with Donations. We are looking to create a unique group of members known as the "Founding Putters". As a Founding Putter, your name will be added to the plaque recognizing your efforts to Make Putt-Putt Happen

To join this elite group of Founding Putters, we are looking for Donations of \$25 or more. With the Donation of \$100, you will receive a T-Shirt. At this time we also have an anonymous donor willing to match the first \$1,000 we receive by June 30, 2025.(see below)

We will be having other fund raising efforts throughout the year. Watch for updates.

I / We would like to donate to the Putt-Putt Drive and become a Founding Putter:

\$25____ \$100____ \$250____ \$500____ Other____

Name:_____ Request to be anonymous:_____

Any funds received shall be returned to the proper Donors if project does not proceed.
