

Villa Monterey 6- Lampposts

One of the things that makes our community unique is our lampposts. Did you know that at one time our lampposts were gas lit before they were converted to electric? Our lampposts are a signature piece of our neighborhood. The lampposts are aging and occasionally need some TLC and upkeep. Often times a light bulb needs changing, a sensor replaced, a cracked globe replaced or the entire lamppost replaced. The HOA will provide a replacement bulb and/or sensor as needed.

VM6 Lamppost Policy requires homeowners to be responsible for the repairs, maintenance, electrical, painting & replacement of their lampposts. All of our lampposts need to be in good operating condition. If you have a question or concern about your lamppost(s) please contact a member of the HOA board for assistance. We are here to help.

American Gas Lamps Works is a company which offers replacement parts for your lamp. Please note that

LAMP POSTS

The screenshot shows a web browser window displaying the American Gas Lamp Works website. The page is titled "#1700 Glass Globe" and features a navigation menu at the top with options like SHOP, LAMPS & HEATERS, POSTS & MOUNTS, ACCESSORIES & PARTS, GALLERIES, and SUPPORT. A sidebar on the left lists various product categories. The main content area shows a large image of a clear glass globe, a smaller thumbnail below it, and a detailed description. The description includes the model name "G1C", an overview, and specific dimensions: 8 1/2" OD W (top) x 4 1/8" OD W (bottom) x 8 1/4" H. It also lists the MSRP as \$62.00 and provides a call-to-order number: 724-274-7131 x100. A disclaimer at the bottom states that the company cannot guarantee compatibility of parts in lamps not manufactured by AGLW.

American Glass Lamp Works - 101 Hoeveler Street, Springdale PA 15144

Home Depot also carries Lampposts- see example below. They can be purchased and painted white. The post must be similar to the original in size, style and quality.
