The organising committee of the 12th International Symposium on Travel Demand Management Symposium (TDM 2025) invites you to submit an extended abstract under the theme “*Navigating the Transport Challenges in the Post-Pandemic Era*”.

SYMPOSIUM DATES AND VENUE

The symposium will take place from **9th to 11th December 2025**, in **Sydney**, Australia, at the University of Sydney CBD Campus at **133 Castlereagh Street, Sydney**.

KEY TOPICS

TDM 2025 will focus on the following topics:

- Objectives of travel demand management
- Public transport challenges
- Transport system resilience
- ITS concepts and policies for managing travel demand
- Travel forecasting and modelling
- Activity and travel simulation, simulation software and digital twins
- Transport user attitudes and responses to travel demand management

TDM 2025

12TH INTERNATIONAL SYMPOSIUM
ON TRAVEL DEMAND MANAGEMENT

- Inclusion and equity in travel demand management
- Sustainable travel demand management and the transition to net zero
- Digital technology for travel demand management
- Big data for travel demand modelling
- Travel demand management and smart transportation
- Public transport safety and security
- Informal and shared mobility
- Active mobility
- City logistics management (including micro-freight)
- Managing the transition of logistics to net zero

We welcome submissions from both academic researchers and industry professionals, fostering a rich exchange of insights between theory and practice in Travel Demand Management.

KEY DATES

- Call for Extended Abstracts opens – 1st March 2025
- Extended Abstract submission deadline – 1st June 2025
- Extended Abstract decision notification deadline – 15th July 2025
- Registration opens – 15th July 2025
- Conference Registration deadline – 31st October 2025
- Conference dates – 9-11th December 2025

EXTENDED ABSTRACT SUBMISSION PROCESS

Extended abstracts should be no more than 2 pages in length, or between 800 and 1,200 words, excluding references. Authors are required to use the provided MS Word or LaTeX templates available on the symposium website. Submissions must be uploaded via the EasyChair system, with the link accessible on the symposium website.

WHY ATTEND TDM 2025?

- **Engage with World-Class Experts** – Hear from distinguished keynote speakers, including Simon Hunter, Chief Transport Planner at Transport for NSW, and Prof. Kay Axhausen, a leading academic in transport research.
- **Shape the Future of Travel Demand Management** – Contribute to critical discussions on post-pandemic transport challenges, sustainable mobility, and innovative planning solutions.
- **Showcase Your Work** – Present your research or industry innovations to a diverse audience of academics, policymakers, and professionals driving real-world change.
- **Expand Your Network** – Connect with international researchers, government officials, and transport professionals, fostering new collaborations.
- **Be Part of a Landmark Event** – Witness the public launch of TRIPS, Australia's first national trip generation database, and explore how data-driven insights can transform transport planning.
- **Experience Sydney** – Enjoy a dynamic, in-person conference with technical site visits, networking events, and a Sydney Harbour dinner cruise.

MORE INFORMATION

All relevant information is available on the symposium website: <https://tdmsymposium2025.org>. The registration link will be available on the website from 15th July 2025. For any inquiries, please contact the local organising committee at info@tdmsymposium2025.org.
