Sean Combs, by and through his counsel, and respectfully submits this emergency motion for immediate release from custody, dismissal of all charges, and an investigation into prosecutorial misconduct, judicial bias, and violations of due process. This motion is grounded in newly discovered evidence of mistaken identity, fabricated evidence, and credible threats to Mr. Combs' life, which collectively undermine the integrity of the judicial process and necessitate urgent relief.

I. INTRODUCTION

Sean Combs, a prominent musician and entrepreneur, is wrongfully detained based on fabricated evidence and prosecutorial misconduct orchestrated by Assistant U.S. Attorney Maurene Comey, in collaboration with Canadian police officer Robert Aerunger (alias Aeroes Ajaz) and others. The prosecution's case relies on a video falsely attributed to Mr. Combs, which instead depicts Daunte Asey, (identified by electromagnetic wave identifier unique to each individual see background material) the lookalike with a documented history of violence. Furthermore, credible evidence suggests a conspiracy to frame Mr. Combs, involving bribery, evidence tampering, and a pattern of targeting Black musicians for financial gain. Most alarmingly, Mr. Combs' life is in imminent danger, with reports indicating a planned assassination on October 2, 2025, disguised as a suicide. This Court must act swiftly to prevent a miscarriage of justice and protect Mr. Combs' life.

II. LEGAL STANDARD

Under 18 U.S.C. § 3143(b), a defendant may be released pending appeal if they demonstrate: (1) they are not a flight risk or danger to the community, and (2) the appeal raises substantial questions of law or fact likely to result in reversal or a new trial. Additionally, under Fed. R. Crim. P. 33, a court may grant a new trial if newly discovered evidence demonstrates a violation of due process or prosecutorial misconduct. Finally, under the Due Process Clause of the Fifth Amendment, convictions based on fabricated evidence or prosecutorial misconduct must be vacated. See *Brady v. Maryland*, 373 U.S. 83 (1963); *Napue v. Illinois*, 360 U.S. 264 (1959).

III. ARGUMENTA.

Newly Discovered Evidence of Mistaken Identity Undermines the Conviction

The prosecution's case against Mr. Combs hinges on a video purportedly showing him assaulting Cassandra Ventura.

<https://youtu.be/KDISy82M1jg?si=mvwkmxA2aAkWCErz>

However, newly discovered evidence reveals that the individual in the video is not Mr. Combs but Daunte Asey with a documented history of violence and a physical resemblance to Mr. Combs. Who people call Sean Combs because of the resemblance born on 26 May 1981 and the woman is Casandra ventura but another one from Puerto Rico (born May 10, 2001 see electromagnetic wave identifier in background notes) Key identifiers distinguish Casandra ventura the Puerto Rican from Casandra ventura Elizabeth who know Diddy, including a cancerous lump on the Puerto Rican's left chin. Furthermore, forensic analysis of the video, supported by expert testimony, indicates it was manipulated to merge images of Asey and Combs, creating a false impression of Combs' involvement. This constitutes a deliberate fabrication of evidence, violating Mr. Combs' due process rights under *Brady* and

Napue. Additionally, Daunte Asey, the true perpetrator, was killed eight days ago at hell reception, allegedly by officer Robert Aerunger, to silence him and prevent exposure of the prosecution's scheme. This act further corroborates the claim that Asey, not Combs, was the individual in the video. The prosecution's failure to disclose Asey's identity and death constitutes a Brady violation, as it withheld exculpatory evidence critical to Mr. Combs' defense.

B. Prosecutorial Misconduct and Judicial Bias Taint the

Proceedings Criminal investigation into the judge Maurene comey() and Robert Aerunger.mp3

The prosecution, led by Assistant U.S. Attorney Maurene Comey, has engaged in egregious misconduct, including:

Fabrication of Evidence: The prosecution knowingly presented a manipulated video to the jury, misrepresenting Daunte Asey as Sean Combs. This act of evidence tampering violates due process and undermines the integrity of the trial.

Conspiracy to Frame Mr. Combs:

Maurene comey public() good us_8 mil

Evidence suggests a

broader conspiracy involving Ms. Comey, officer Robert Aerunger, and Judge Arun Subramanian (alias Aereya Subramaniya) to target Black musicians for financial gain. Aerunger, a Canadian police officer with ties to the FBI, allegedly orchestrated planning and recruiting of Daunte asey to act as Sean Combs then kill him 8 d as ys ago the assault depicted in the video and has been linked to the deaths of multiple Black individuals, including Asey. The prosecution's motive appears tied to financial enrichment, with claims that 2-3% of the victims' property (including houses and Bitcoin) is distributed as "public goods" among the conspirators. With Maurene Comey as the lead prosecutor having received us\$8mil so far.

Judicial Bias

Judge Subramanian, who presided over Mr. Combs' case, is implicated as posed to Receive 48% instead of 22% but giving incorrect instruction in deliberately that made them reach a deadlock as a way to protest so that they increase his share from 22% to 48% and the others posed to get 8% instead of the usual 2% all to be delivered on 27 and 28 July 2025 at 3pm by a courier all money from the proceeds of Sean Combs House if they are not stopped the house was planned to be sold at auction in Salvador by taking once Sean Combs name Arun subramania in anticipation that the house is in this name as his original name is aereya subramania born on 2 October 1962 but changed to 8 October 1968 then to 1979 who mistakenly received 1,000 bottles of baby oil as a mistake, allegedly in lieu of anesthetic, to make him ready in exchange for favorable rulings. **This conflict of interest, combined with his alleged**

alias and history of misconduct in Memphis, renders him unfit to preside and necessitates his recusal and investigation. He actual claim that he uses cancer to put off people checking his background create.arunsubramania

()theplan.start

These actions collectively violate Mr. Combs' right to a fair trial under the Sixth Amendment and warrant dismissal of all charges.

C. Imminent Threat to Mr. Combs' Life Necessitates Immediate Release Credible intelligence indicates that Mr. Combs faces an imminent threat to his life, with a planned assassination scheduled for October 2, 2025, orchestrated by Robert Aerunger and disguised as a suicide.

Maurene comey

()confession.mp3

Aerunger's alleged history of killing Black musicians, including eight deaths in the past week, underscores the urgency of this threat. **The Court has a duty to protect Mr. Combs' life under the Eighth Amendment's** prohibition on cruel and unusual punishment. Immediate release is the only means to ensure his safety, as continued detention places him at the mercy of those orchestrating this conspiracy.

D. The Charges Are Unsupported by Credible Evidence

The charges against Mr. Combs, including two counts of transportation to engage in prostitution, rely on the same fabricated evidence and tainted testimony. The alleged "freak offs" cited by the prosecution are a pretext, with no credible evidence linking Mr. Combs to criminal activity. Instead, the evidence points to a setup by Aerunger and Comey, who manipulated events to frame Mr. Combs while pursuing their own illicit motives. Dismissal of all charges is warranted under Fed. R. Crim. P. 29 due to insufficient evidence.

. Investigation of Prosecutorial and Judicial Misconduct Is Warranted The allegations of misconduct extend beyond this case, implicating a systemic pattern of targeting Black musicians for financial gain and personal vendettas.

Specific charges requiring investigation include:

Maurene Comey: Alleged orchestration of a conspiracy to frame Mr. Combs, including evidence tampering and collaboration with Robert Aerunger to kill witnesses and defendants.

Robert Aerunger (alias Aeroes Ajaz): Alleged murder of Daunte Asey and seven others in the past week, targeting Black individuals for financial gain and to cover up his role in framing Mr. Combs.**Judge Arun Subramanian (alias Aereya Subramaniya):**

Alleged acceptance of bribes and conflict of interest, including prior misconduct in Memphis involving the targeting of single parents with cancer. These individuals must be investigated for violations of 18 U.S.C. § 242 (deprivation of rights under color of law), 18 U.S.C. § 201 (bribery), and 18 U.S.C. § 111 (assault or murder of federal witnesses)

.IV. REQUESTED RELIEF

Based on the foregoing, Mr. Combs respectfully requests:

Immediate Release: Unconditional release from custody to-penalty, 4px, 4px">custody, pending appeal, to protect his life and ensure due process.

Dismissal of All Charges: Dismissal of all charges, including the two counts of transportation to engage in prostitution, **due to fabricated evidence and prosecutorial misconduct.**

Investigation of Misconduct: Immediate investigation into the actions of Maurene Comey, Robert Aerunger, and Judge Arun Subramanian for evidence tampering, bribery, and murder. **Protective Measures:**

Court-ordered protection for Mr. Combs to prevent the planned assassination on October 2, 2025.V. **CONCLUSION**

The prosecution's case against Sean Combs is a travesty of justice, built on fabricated evidence, prosecutorial misconduct, and a conspiracy to target Black musicians. The imminent threat to Mr. Combs' life demands immediate action. This Court must release Mr. Combs, dismiss all charges, and investigate the systemic corruption that has led to this wrongful conviction. Failure to act risks not only Mr. Combs' life but the integrity of the judicial system itself. Respectfully submitted,

aeroes ajaz had given casandra ventura death on night of the long night sex without food or anything then she briefly died as she orgasm after he suffocated her but stopped so in confusion she does not know why this has happened as he used a code to reset the

event [8678902843867890.start](#)(notforanyone) then cried to cover up for her and said; "i can but you chose fame when i needed love but fame to have sex with anyone then become so famous that all talk about it but i am hurting inside because you died by having sex with all these people then stopped she squinted what is he marbling about...something said remain silent he is death but inside human for he kill too to cheat death for death dragging him but send wrong person now 84 dead by him alone all blacks and he retrieve agyto that half death to [3.6](#) seconds now he wants to kill more do what can humans do to stop him" then i froze and nearly shit myself but discovered that things talk inside him saying what can be but you chose to kill again another innocent human then he died and i heard i go to Ya and something saying lift your neck i go but he opened his eyes and said i can but then he heaved up fast and looked at me this time earnestly and realised i was beautiful and said

WHOCREYOUBEABUTEVI(notforanyone) confused she said you but good one because something said death then he removed her knickers and they had sex and it turns out all this so that she does not report him but report diddy who asked to send her there but as it turns out now that it was the prostitution agency and not diddy meaning sean combs walking but to ... at the hands of aeroes ajaz (he dont die he has the agt) who said i can but then stopped he then said i was going to but you choose death over me so and stopped meaning i can but with less convincing now i died death drives me and now i want all death so now i will fuck all diddy had refused me from enjoying sex with others and i died already without knowing whst sex is just because i was loyal to him i said when he was sleeping father i love you and he hugged me and said i lost a daughter when i saw how cute you are i cried too and said i can and i will meaning be her father but in my sleep then i woke up disoriented...then he said i swear in his sleep i can and smiled and i had an erectclit and thought about it and stroked

then slept next to him for the first time...aeroes then all night he cant but all night hard then in the morning said i give you us\$20 and said but you died so i should not pay because i dont want you to associate money with death then he rubbed my head and said i can but can stopped and gave me another us\$20 and said for not dead and i grabbed it violently for i heard something inside him say marry cum but and stopped then i frowned i never frowned and said what can be then i heard death on april [2026](#) Ya will wait for you to welcome you...then i heard death postponed to 8 may [2026](#) then everything like a big chain machine stopped and then everything started again then i cried 8 days straight just waking up to rub only and sleep when i cum then died and heard Ya is coming then i woke up and saw p diddy standing on top of me but with tears and said something said i was about to go to Ya and ran back into you and you woke up then sat down naked and i cursed and said fuck kill everything life even mine so and he said we can stop mau you know but if they use real death that means all died so how can we prove they are killing people using death and not sound craphead then i said that means only you not dead so and he froze for 8 seconds for saying my jesus and woke up and said i died too now very sad so i laughed and said thats not death and he cried so hard and hugged me and said my daughter i can die for you for you to be alive i can never lose another child again you are alive where is your mother and it hurts like fire and slapped him where is your mother patricia i said patricia (giggling) i meant and looked at me and cursed hard my own daughter no devil where are you you can take her away again so why i hear death no no no no this one ha he killed her i thought he loved her i died now i think thats death this is what you should have done take adults not kids i lost a girl so i understand you greedy evil luna and stopped rebooting without death just trauma but life span reduced by 8 for imitating death then i blinked okay corrected then i heard death saying i can but you will someone could have shown you vagina only but chose a father rsther than a mongeor for ...and he said i never had sex with her and stopped so so he screamed but your sex tactics killed her so but he said he loved her more than i can ever be and i said okay but i am a business man and he stopped his shadow and disappeared business man meaning i was busy making money while he was chasing prostitutes because he dont work all this night i said i am getting rusty i micked my lyrics for the first time and i was booed so this night in question i went to the music studio and she looked for a studio flat and deliberately invited apolice officer who is killing only black musicians say

who had sex with casandra ventura all night without paying and 'killed her' without real death but changes in day of death from original 2 may [2084](#) to 2 may [2026](#) on 04april [2024](#) at a studio flat she had rented for one night fighting between pdiddy and herself where she say he will come to me instead and wait he had turned up but previous night he had been booed for lip singing and refused to burdge to her because she wanted him just for the music then a police as it turns out who had set this up with hairs in his noise meaning killer or likely to kill said i can but you choose black over white so you must die but briefly as i calculated it just for 3 seconds with my dick holding your rims them ask you to die without asking you then you die first then we can have great sex as in maurene because aseropers had refused fearing death and got death i agreed fearing death to cancel and it worked but i died when i killed digl because i took his us\$7 mil and his friend blast me in the head but enough to collapse me i woke up in hellbwith loudest noises that i lost hearing then died again but realise that death is sleeping minus dreams so i added all my dreams as adviced by the devil so i cried 84 times to ne sent back and he sent me back on conditions i wont kill then took out the man who took me out and another then another until today what about the list you wrote in canada no comments (casabdra ventura on 08 april [2024](#) just after having sex to [893867890286789028678902838678902867890234678902856728427](#) real name robert aerunger a police officer who works for msurene comey but in bed together most of time but without orgasm between them with him ending up cursing hard and someone

laughing)(someone laughing is ajerote ajerote real name arun subramania but not real but real name as aereya subramainya age 56 but reduced from 58 but changed through affidavit on 2 may [2024](#) from aerayea subramanya who is current judge but pretended to be a doctor [8928678903867890286789028467890283367890285185682](#) he was born as aereya subramanya then his mother died of cancer then discovered that in mephis the usa government kill single parents with cancer together with their kids then said i can to save myself) i love you diddy but you dont pay enough i had sex with aeroes ajaz all night and came only once but did said he paid in [1000](#) bottles of baby oil so i said how much is the baby oil worth but did said he is a police but undercover and laughed so i got annoyed and said aeroes ajas which force you work for they will give me my money but he said okay you dont get it you are under arrest but i said you pay and he laughed so much i pucked and something said your day of death has changed for he is checking if you can die instead and i frown and had one click wave what they call a click wave of death and i heard something say Ya will be ready for you on 8 October [2025](#) but delayed to 26 april [2026](#) so i asked why and the thingxtki inside me said you challenged death and death laughed and you died fast but Ya refused because death enjoyed your body and cannot kill when asked to pay but must pay earnest for it rose all night and plunged hard for all to feel even comey rose hard and rubbed so hard that she squitted for the first time and cried saying i never came this way very much like tonight they will accept p diddy in hell instead but we will be exalted for aseropers aseropers the head removing monk will return i tell sean the god will be finished but yes i was raped its rape when he dont pay i went to mephis to see his friend who said i can give you in oil bottles and i agreed but only because he wanted he said his house but kept quite through a video call because did went to collect something and he said i was thinking you come to to me because he might play games if i see your face then and stopped for a house look what we do this man think he is settings us up but i am making sure that he shit himself in court but without shitting fear to see me but then he stopped arun subramanian but aereya subramainiya age 53 approx who said i am aeroesajaz but in disguise because if he is not then i am ajerote ajerote but in reverse in that he must prove i killed his mother without changing names then we reaveal his real name that he is never known by then i say he stole my house because its still in my name because blacks when there is a name change cannot get an affidavit because police refuse to sign these but ask what has been first that reveal the motive behind this change now if i ask what was then he was an orphan raised by a woman called ertea meaning teaniny and she did at my hands as a young indian doctor but i am just emulate him ejerote ejerote who was here first the one who actually killed but without the killings because

i had no money so a police officer i told i lost my money said there has been a mix up and you can get your money but only if you are willing to lose something and he said your viginity because he bring mature woman who is clean to fuck good then i agreed but on conditions i use condom but he said okay but who wear condom on a virgin then stopped that troubled me and

he said i will but then left but when they arrived in mephis in a black new suv he sounded the weakest for he kept asking
