The Covid shots are neither safe nor effective. The fact they're still being given, are recommended by CDC, and are still mandated in some cases, is scandalous. Join the global fight to remove them from the market by signing The Hope Accord at: TheHopeAccord.org

In a darkhorse podcasts I remember mention of @jjcouey using the word "transfection" and both you and @HeatherEHeying agreed it was the correct word to use. Why didn't you continue to use it? The "shots" could've been stopped immediately if the public knew what they really were.

By means of ever more effective methods of mind manipulation, the democracies will change their nature; the quaint old forms... elections, parliaments, supreme courts and all the rest... will remain.

The underlying substance will be a new kind of Totalitarianism. All the traditional names, all the hallowed slogans will remain exactly like they were in the good old days. Democracy & freedom will be the theme of every broadcast & editorial. Meanwhile, the ruling oligarchy and its highly trained elite will quietly run the show as they see fit.

Who are you listening to?

1. I am one of the only USA medical school FACULTY to lose a CAREER
2. In contrast, most or all of the “heroes” have NOT lost a job while at the same time falling into MORE MONEY, usually entrepreneurial, often Substacks, other social media-based income, or a SKYHORSE CHELSEY BOOK
3. I was an official US faculty reviewer of ALL of the DRASTIC peer-reviewed publications in 2020, and yet the only person tossed out of DRASTIC for wanting to talk TRANSFECTION in 2021
4. I was invited to learn in a ‘day trading Slack group’ in 2021 by members of DRASTIC and was given code to use on Ameritrade. When I offered to share this code with Matthew Crawford, he wasn’t interested at all
5. I am the only biologist that can plausibly explain why the NO VIRUS position was specifically curated (I publicly agreed with most or all of their assertions about SARS-CoV2 by 2022; see #12, #16)
6. I am the only biologist talking about how the term INFECTIOUS CLONE is semantic cover for TRANSFORMATION and TRANSFECTION in cell culture and in animals as virology
7. I am the only biologist able to plausibly explain why academic bench scientists might assume the PCR tests used in pandemic myth medicine to be more accurate than they are
8. I am the only biologist discussing how powerful PLACEBO would be in controlling the Narrative
9. I am the only biologist who has been suggesting since 2020 that a hot background could be misconstrued as spread
10. I was told by Sen. Ron Johnson and Robert F Kennedy Jr. on the same day in April 2022 that Robert Malone recommended they watch my Jan 2022 broadcast
11. RFKjr, Meryl Nass, Robert Malone, Tess Laurie and Jessica Rose have never assembled to discuss anyone else ever
12. Bailey, Kaufman, Cowen, Zeck, and Massey have never assembled to discuss anyone else ever
13. Beaudoin, Seneff, McKernan, and Rose have never assembled with anyone else ever
14. McKernan of the HGP has never argued any molecular concept with anyone else (INFECTIOUS CLONE) or called any other idea ‘chem trail retarded’ in his Substack, not even the notions of there being no viruses and disease being an illusion
15. Hockett and colleague assembled once for Senator Ron Johnson’s staff in 2024 and with no one else prior then blocked me and disappeared without explanation
16. A man in Japan who invited me to a series of streams with people adjacent to George Webb in 2020, and who spent 2020 publicly declaring his opposition to Kaufman and Bailey, has spent 2022 onward attacking me, and is currently making memes with shotguns in my mouth
17. I was hired by CHD after working for RFKjr for a year and fired six months later for talking about Robert Malone on my broadcast
18. I have presented at UKD4CE four times, D4CE once, and PANDA three times and now openly declare that PANDA and HART and CHD are all corrupted by individuals I have NAMED
