Happy Warrior -American Hero

If you weren't aware of Charlie Kirk two weeks ago, you are definitely aware of him now. And it's understandable that, if you are over 40 and don't have tween, teenage or college-aged kids, you may not have been as familiar with his work.

But Charlie Kirk was the embodiment of the American Dream. He was proof that in America, if you work hard enough and want it badly enough, you can be successful. But Charlie was even more than that. He was an intelligent, articulate man who enjoyed the debate, the discussion of ideas and the sharing of information. He recognized that the youth of America were (are) being indoctrinated through the educational system, especially in universities and he set out to shine a light on it. He didn't shy away from verbal conflict. He opened dialog. He didn't shout his opponent down or insult their character to get his point across. He asked thoughtful probing questions, he conceded points, he listened when the other person was talking. (A clip of Charlie is [HERE](https://www.youtube.com/watch?v=sM_R0RU6sU) or copy link: https://www.youtube.com/watch?v=sM_R0RU6sU)

There are people saying awful things about Charlie online. That he deserved to die because he supported the 2nd Amendment, That he was a racist and a Nazi. Of course nothing is further from the truth. Charlie was a Christian, a loving husband, a devoted father to two tiny children. He was 31 years old. And he accomplished SO MUCH in those 31 years, but he was still take MUCH TOO SOON. Pray for Charlie's family. Pray for America. We lost an invaluable treasure.

Solebury Supervisors

Solebury Township is governed by five Supervisors. Supervisors are elected for six year overlapping terms. The Board serves as the primary legislative and executive body for the township, overseeing local governance, policy-making, and community services.

Legislative Responsibilities:

Enacting and amending township ordinances.

Approving conditional uses and special exceptions in zoning matters.

Adopting the annual township budget in December each year.

Executive and Administrative Oversight:

Hiring and appointing professional staff.

Appointing volunteer members to advisory boards and commissions.

Overseeing the appointment of key officials.

Managing township finances indirectly through the Treasurer.

Policy Implementation and Community Governance:

Developing and updating long-term plans.

Addressing public services.

Holding regular public meetings.

Ensuring compliance with state laws.

Right now, EVERY seat is filled by a Democrat. There are two seats up for re-election. We NEED to fill one of those seats with JOHN DEANDREA to provide diversity of thought on the Board of Supervisors.

Who is in charge of our children's education?

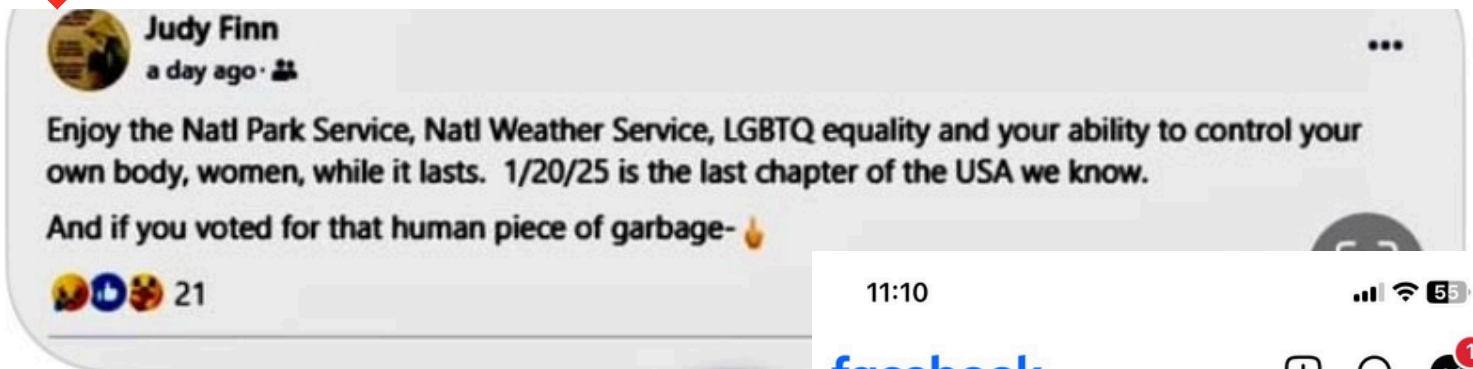

New Hope Solebury School District's School Board of Directors is made up of nine members. All of them are Democrat leaning, even though they cross file and appear on both sides of the ballot.

According to the NHSD website, the Board's function is to **provide oversight to ensure a thorough and efficient education for the children of its District and to develop policies to support meeting this objective. School Directors, although locally elected, are in essence state officials designated by school law to oversee the administration of the school system in each district of the Commonwealth.**

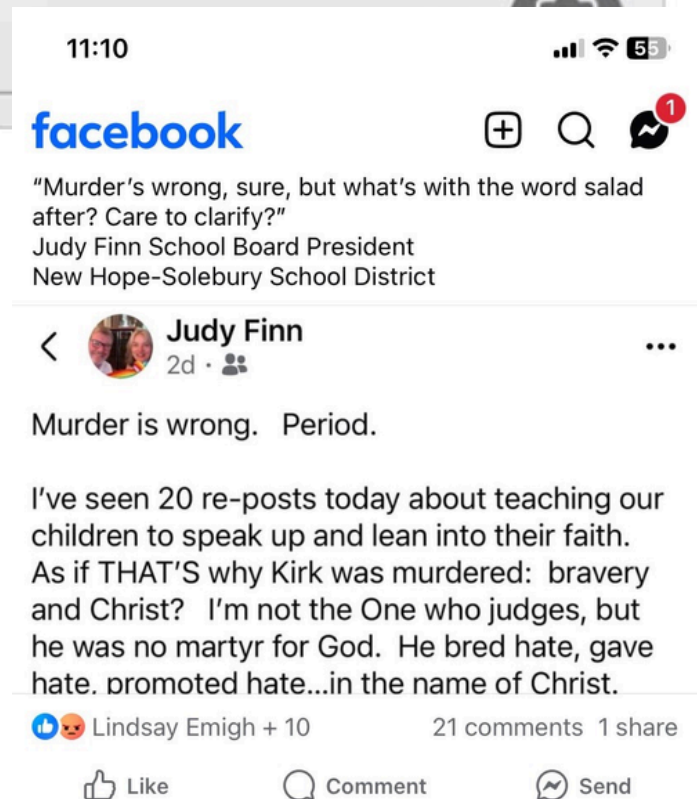

While we understand that we will all never agree with anyone on everything, we believe the current President of the School Board has proved herself to be too much of a rabid partisan to be entrusted with the guidance of our children's education. Here are two Facebook posts in the past year from the current Board President:

After the 2024 Presidential Election. (If you can't tell, the emoji at the end is a middle finger.)

After the Charlie Kirk assassination

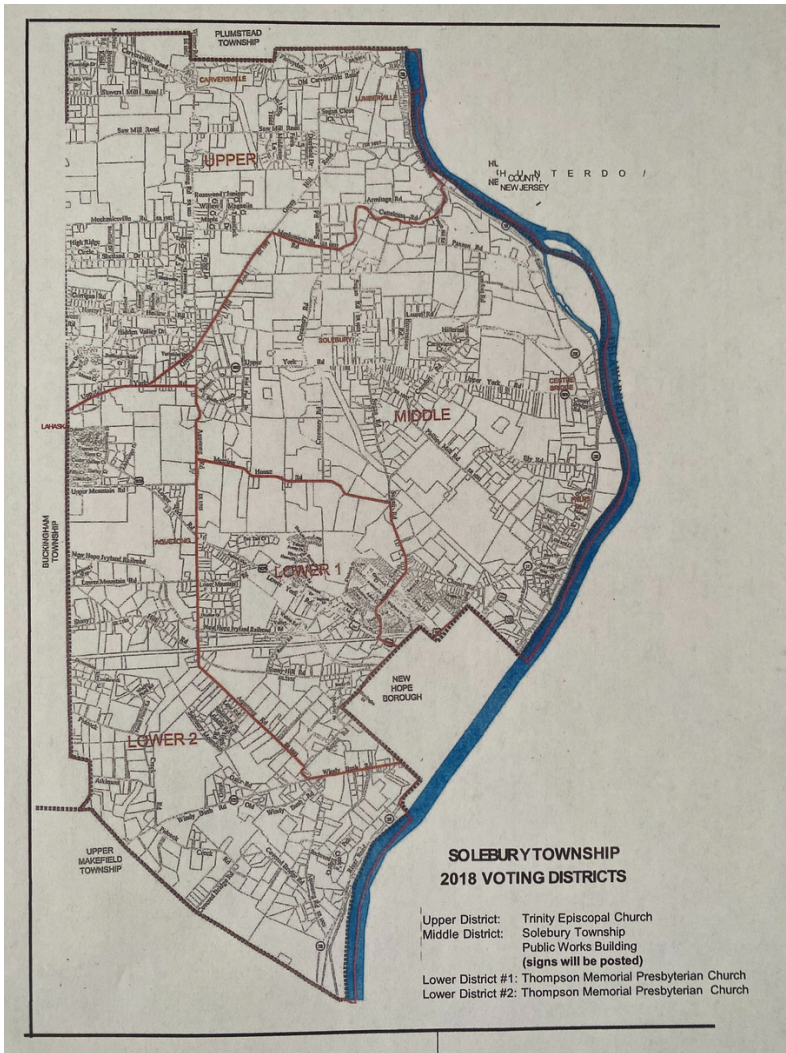

The next Board Meeting is taking place on September 25th starting at 6:30pm at the District Office if you would like to make your opinion on these posts known
