Our guided sunset ebike tour along the Rio Salado bike paths is one of the best ways to experience Tempe Town Lake. As the desert heat fades, you'll ride into that perfect window before and after sunset when the air cools and the city begins to glow.

The tour starts at our Tempe shop, where we get you set up before shuttling you to the most scenic part of the ride. From there, you'll cruise exclusively on designated bike paths, so you can relax and enjoy the ride without traffic.

With our casual e bikes, pedaling feels easy and enjoyable, giving you the perfect balance of light activity and relaxation. Over the course of this two hour ride, you'll follow smooth waterfront paths as city lights reflect across the lake, creating a completely different experience from the daytime.

Led by a knowledgeable guide, you'll explore green spaces, scenic viewpoints, and quiet stretches of path while learning about the Valley of the Sun. It's the perfect way to get outside, escape the heat, and enjoy our desert oasis at its most beautiful time of day.
