

Aqua Uplight

Description

The Aqua Uplight is an exceptional IP rated uplight at the forefront of design with an elegant slim bezel and high CRI, ideal for Residential, Hospitality, Retail and Marine Exterior and interior applications. The Aqua Uplight features walk/drive on toughened clear glass, premium efficacy LED's, deep baffle and brass heatsink as standard for increased heat dissipation with industry leading optics giving you the perfect soft light.

When creating the Aqua Uplight we considered usability, ease of installation and adaptability to create the perfect uplight for all your applications.
