

# MAXI Aqua Shallow

## Uplight

### Description

The shallow big brother of the Aqua uplight. The Maxi Aqua still has all the characteristics of the Aqua uplight but packing a bigger punch. The Maxi Aqua is made from the highest marine grade material ensuring longevity and quality of finish. As standard market leading high CRI LEDs paired with TIR optics for true angles of light and water ingress protection that is second to none.

CUT-OUT - 57Ø

RAL\* a variety of Powder coated, Electro Plated and Anodised finishes are available Please contact your Consilio Lighting sales representative for further details.

### Key
