

Floris Surface

Exterior/Interior IP67

Description

The Floris exterior spike-light is a premium quality exterior spotlight designed to fit seamlessly into any garden or walkway. Its organic look and feel has been designed into the product deliberately to blend into its surroundings. Housed inside the Floris is a high CRI LED, TIR Optic and one metre flying lead for ease of installation.

Available with honeycomb louvre, dichroic glass, softening lens and colour filters.

Any RAL colour available upon request. Please contact your Consilio Lighting sales representative for further details.

Key

Due to the amount of versatility that the Floris allows, please use the key below as a guide for the performance.

Constant voltage options
