## **Bandon LTC Child Safeguarding Statement**

**March 2021 – Version 0**

Bandon LTC provides tennis activities and opportunities for children and young people through participation in our tennis club. Bandon LTC is committed to safeguarding children and young people. All club members work under the guidance and policies of our Safeguarding Code. All our volunteers and coaches working with children in the club seek to create a safe environment for children and young people to participate in playing and enjoying tennis.

### **1. Principles to safeguard children from harm**

Bandon LTC is committed to safeguarding children and by working under the guidance of Tennis Ireland Safeguarding Policies. Our volunteers and coaches, working with our young members in the club, seek to create a safe environment for young people to grow and develop within sport. The following set of principles should be adhered to:

- **Importance of childhood** - The importance of childhood should be understood and valued by everyone involved in tennis.
- **Needs of the child** - All children's sport experiences should be guided by what is best for children. This means that adults should have a basic understanding of the emotional, physical and personal needs of young people.
- **Integrity in relationships** - Adults interacting with children in the club are in a position of trust and influence. They should always ensure that children are treated with integrity and respect, and the self-esteem of young people is enhanced.
- **Fair Play** - All children's sport should be conducted in an atmosphere of fair play. The principles of fair play should always be emphasised, and coaches/volunteers should give clear guidelines regarding acceptable standards of behaviour.
- **Quality atmosphere & ethos** - Children's sport should be conducted in a safe, positive and encouraging atmosphere.
- **Competition** – Competition/organized play is an essential element of tennis and should be encouraged in an age and level appropriate manner. A child centred ethos will help to ensure that competition and specialisation are kept in their appropriate place.
- **Equality** - All children and adults should be valued and treated in an equitable and fair manner regardless of ability, age, gender, religion, social and ethnic background or political persuasion.
