

Architectural Application

The Ranch Homeowners Association

As explained in our CC&R's, exterior improvements or modifications require approval by our Architectural Committee. This is the form we use for applying for such approval. Please describe all changes you propose to make to your Home exterior. Include a scale drawing(s) with top (plan) and side (elevation) views as necessary to clearly establish locations and elevations of any structures. Include dimensions and materials and specify color(s) if appropriate. Your drawing should include existing structures and boundaries where necessary to indicate relative location. To avoid delay of committee action, please include all information the committee will need to make its decision. Attach additional pages if needed. Consult the Architectural Review Standards and Guidelines for more information.

Please deliver 1 **copy** of this completed form along with drawings to C&C Property Management, 425 Merchant St Ste 101 Vacaville CA 95688.
