

# PRELIMINARY SCHEDULE

MAY 13 - MAY 14, 2025

HYATT REGENCY CAPITOL HILL  
WASHINGTON, DC

As NUCA members, we must ensure that legislators understand the important role that our industry plays in keeping the country healthy, clean, and prosperous. We build America!

We want you to share your stories to persuade Congress that they must act to improve our nation's underground infrastructure. Only you can deliver your personal expertise to your lawmaker's offices and they need to hear about your experiences. Those personal stories persuade lawmakers, especially when you are their constituent. **Register today!**

Below represents a preliminary schedule of events; the program is subject to change.
