ABOUT US.

Who We Are

Y Knot Racing is a Michigan limited liability company (LLC) dedicated to providing participating members with the opportunity to realize fractional ownership income from highly regarded thoroughbred mares and colts over a four-year professional thoroughbred racing window. This is a for-profit company, and our owners will be treated with respect, participating throughout the process—from attending training sessions (by appointment) to standing in the winner's circle on race day.

Mission Statement

To offer opportunities for fractional horse ownership in specific horses vetted and managed by Y Knot Racing, encompassing racing, auction, and breeding. This serves as a passive income generator throughout the horse's career.

Why Y Knot Racing

After having participated in a fractional ownership and racing rights in a Kentucky Derby winner and Breeders Cup champion, we knew that the methodology works but the operators were finding continual ways to keep the money and not pay the members. Y Knot Racing wants to keep this simple and transparent – enhancing our long term goals of multiple horses and opportunities. We believe in the concept but most companies out there aren't looking out for the members, we are about to change that.

MEMBERSHIP

As a member, you're not just a spectator—you're part of the action! Membership gives you exclusive access to the horse at the farm or training track, VIP treatment at races, and a stake in the horse's success. With each race, you earn rewards based on your horse's performance, sharing in the excitement and financial gains. Whether it's stepping into the Winners Circle or receiving a portion of race earnings, you're investing in a thrilling experience that combines the passion of horse racing with tangible rewards.

MEMBERSHIP BENEFITS INCLUDE:

- Exclusive access to your horse at the farm, track, or training center
 - (by appointment)
- Complimentary racing admissions with guest passes
- VIP access to the Winners Circle, including free win photos
