What To Expect At Guns and Hoses October 24th and 25th

We can't wait to spend the weekend at Guns & Hoses with you! **We will be launching out of the Badger Ramp at Windy Hill, Roosevelt Lake.** We'll be out to the lake on Friday evening around 8:30pm.

This is a two day tournament, weights will be combined for Saturday and Sunday. Please read the rules before the weekend. Don't forget that you need to be off of the water by dark on Friday night. Everyone will sign a new waiver, unless you've fished one of our recent 2026-2027 Weekend Warrior events.

Our entry fee is $260. Cash is king and counting out the amount before you get to Lyle makes the line move faster. **We have a $20 goon fish option. Raffle tickets will be sold in the morning and at the weigh in on Saturday. They'll be $5 each or 5 for $20.** All the money from the raffle goes back as cash prizes. It'll be a smaller raffle this year since we just did one in March.

Coffee and doughnuts will be going by 4:00am. Once you've checked in and got your boat slip from Lyle, grabbed some coffee & food, and signed your waiver, you'll be ready to get your livewell checked and launch your boat. **Livewell checks are at the top of the ramp.** Tell them the number on your boat slip and open the lids. You'll launch and wait on the water until we do blastoff. **The sign up line closes at 6:00.**

We'll do the anthem, go over quick rules, shout out the sponsors, and call boat numbers to get everyone heading out to fish. When you hear your boat number give a wave and it's go time. **Blastoff is approximately 6:15am.**

Weigh in is drive thru. If you need a weigh bag we will have them on the sign about 4 or 5 spots back so you can get one and be ready before you pull up. Have your fish in the bag when you pull up and big fish tagged.

One person will stay in the boat and hand off your fish bag to be weighed as you drive up. Say your name and boat number nice and loud when you pull up. If you want a picture the driver can also get out and we'll take one for you. Please discuss this ahead of time so it speeds up the process and we keep the line flowing.

When you are done weighing in you'll park and come back and check the tv screen for your place and you can grab something to eat. We'll do the raffle immediately following the weigh in on Saturday. We'll hand out the awards on Sunday following the day 2 weigh in.

If you aren't weighing fish text Lyle at the phone number on your boat slip or check in at the trailer so we know you are safe and off of the water.

If your question hasn't been answered here or in the rules on the website, please text or call Lyle at 623-565-6523.
