

# I do, We do, You do

*Structured Maths Approach uses this model within its lesson sequence.*

## I do

*(You watch)*

*The teacher does the teaching. Students watch only.*

## We do

*(We do it together )*

*The teacher and the students complete the learning together.*

## You do it

*(You do it)*

*The students do the learning. Teachers might provide helpful teaching hints or scaffolding where needed.*

## You do

*(You do it alone)*

*Students do the learning alone. Teachers watch, assess, reflect and provide further assistance if necessary.*
