

PHASE FIVE

Progression Tracker

Numbers 1-10,000	Divide with a single digit and no remainders
FNWS to 10,000	Word problems using multiplication and division
BNWS from 10,000	Times table facts (1-10's)
Ordering numbers 1-10,000	Fractions (reading, writing, ordering, finding fractions of a whole)
Place value (composing and decomposing)	Adding and subtracting fractions with like denominators
Representing numbers to 10,000	Equivalent fractions
Times table facts (1-10's)	Adding fractions with different denominators
Decimals (reading, writing, ordering)	Fractions greater than 1
Addition and subtraction (whole numbers)	Fractions on a number line
Addition and subtraction (decimals)	Times table facts (1-10's)
Word problems using addition and subtraction	
Addition and subtraction strategies	
Multiply by 1 and 2 digit numbers	

PHASE FIVE

Progression Tracker

☐ Numbers 1-10,000	☐ Divide with a single digit and no remainders
☐ FNWS to 10,000	☐ Word problems using multiplication and division
☐ BNWS from 10,000	☐ Times table facts (1-10's)
☐ Ordering numbers 1-10,000	☐ Fractions (reading, writing, ordering, finding fractions of a whole)
☐ Place value (composing and decomposing)	☐ Adding and subtracting fractions with like denominators
☐ Representing numbers to 10,000	☐ Equivalent fractions
☐ Times table facts (1-10's)	☐ Adding fractions with different denominators
☐ Decimals (reading, writing, ordering)	☐ Fractions greater than 1
☐ Addition and subtraction (whole numbers)	☐ Fractions on a number line
☐ Addition and subtraction (decimals)	☐ Times table facts (1-10's)
☐ Word problems using addition and subtraction	
☐ Addition and subtraction strategies	
☐ Multiply by 1 and 2 digit numbers	

PHASE FIVE

Progression Tracker

☐ Numbers 1-10,000		☐ Divide with a single digit and no remainders	
☐ FNWS to 10,000		☐ Word problems using multiplication and division	
☐ BNWS from 10,000		☐ Times table facts (1-10's)	
☐ Ordering numbers 1-10,000		☐ Fractions (reading, writing, ordering, finding fractions of a whole)	
☐ Place value (composing and decomposing)		☐ Adding and subtracting fractions with like denominators	
☐ Representing numbers to 10,000		☐ Equivalent fractions	
☐ Times table facts (1-10's)		☐ Adding fractions with different denominators	
☐ Decimals (reading, writing, ordering)		☐ Fractions greater than 1	
☐ Addition and subtraction (whole numbers)		☐ Fractions on a number line	
☐ Addition and subtraction (decimals)		☐ Times table facts (1-10's)	
☐ Word problems using addition and subtraction			
☐ Addition and subtraction strategies			
☐ Multiply by 1 and 2 digit numbers
