

RE-DESIGN

A four-step journey for a complete transformation of your space.

STEP 1: IDEA

Let's dive in! We'll start with an on-site or virtual meeting to discuss your vision and lifestyle. Within one week, we'll present you with a mood board and an outline of the scope of work.

Deposit: \$500

STEP 2: SKETCH

Next, we'll create a floorplan sketch and outline of materials and furnishings. We'll refine the design direction together.

Balance payable based on scope of work.

STEP 3: DETAILED BREAKDOWN

We'll prepare the necessary documentation: floorplans, schedules, technical drawings, a design guide book, as well as an itemised budget spreadsheet.

STEP 4: IMPLEMENTATION

Sit back as we handle delivery and installation. Soon, you will see your space transformed into your dream design!
