

The Indiana Commission to Combat Drug Abuse

Behavioral Health Division

Comprehensive Community Plan

County: Dearborn County

LCC Name: Dearborn County Community Advocating for Substance-Abuse Awareness

LCC Contact: Amy Rose

Address: 432 Walnut Street

City: Lawrenceburg, IN 47025

Phone: 812.532.3538

Email: Arose@dearborncounty.in.gov

County Commissioners: Jim Thatcher District 1, Art Little District 2, Rick Probst District 3

Address: 165 Mary Street

City: Lawrenceburg

Zip Code: 47025

Vision Statement

Dearborn County citizens will be empowered to make safe and healthy choices, free from the harm of alcohol and other drugs.

Mission Statement

To develop and support a comprehensive community plan focused on the prevention and reduction of substance use/misuse/addiction among youth and adults in Dearborn County by driving impactful advocacy efforts.

Membership List					
#	Name	Organization	Race	Gender	Category
1	Adam Gilliam	Adam's Art Supply	Caucasian	Male	Business
2	Alex Parniuk	Child Advocate	Caucasian	Male	Civic Volunteer
3	Bonnie Carter	Jail Ministry	Caucasian	Female	Civic Volunteer
4	Candy Feller	Jail Ministry	Caucasian	Female	Civic Volunteer
5	Cathy Piche	N/A	Caucasian	Female	Civic Volunteer
6	Kathy Barnum	NAMI	Caucasian	Female	Civic Volunteer
7	Andrea Spaeth	Lawrenceburg Community Schools	Caucasian	Female	Education
8	Abby Rubwe	Sunman Dearborn Community Schools	Caucasian	Female	Education
9	Rhonda Murdock	Sunman Dearborn Community Schools	Caucasian	Female	Education
10	Curt Borntraeger	South Dearborn Community Schools	Caucasian	Male	Education
11	Jack Prarat	South Dearborn Community Schools	Caucasian	Male	Education/Law Enforcement
12	Ryan Brandt	South Dearborn Community Schools	Caucasian	Male	Education/Law Enforcement
13	Kyle Miller	South Dearborn Community Schools	Caucasian	Female	Education
14	Cari Kettman	Safe Passage	Caucasian	Female	Health

36	Laura Priebe	River Valley Reads	Caucasian	Female	Other organization
37	Amanda Sampson	1Voice/CHOICES	Caucasian	Female	Recovery
38	Elizabeth Oyer	CHOICES	Caucasian	Female	Recovery
39	Jennifer Tackitt	CHOICES	Caucasian	Female	Recovery
40	Sara Frolich	CMHC	Caucasian	Female	Recovery
41	Martin Justice	CMHC	Caucasian	Male	Recovery
42	Aaron Spaulding	CHOICES/1Voice	Caucasian	Male	Recovery
43	Bridget Bascomb-Hinkle	CMHC	Caucasian	Female	Behavioral Health
44	Kathy Watkins	Ivy Tech Community College	Caucasian	Female	Education/Criminal Justice
45	Ramzi Nuszibeh	MTD Data Systems	Caucasian	Male	Business
46	Stacey Perleberg	Civista Bank	Caucasian	Female	Business
47	Miranda Boyles	Eagle Country	Caucasian	Female	Business/Media

LCC Meeting Schedule:

The Executive Committee meets monthly January-December
The General Membership meets monthly January-December
The Youth division meets twice per month August-May

Community Needs Assessment: Results

The first step in developing an effective substance use and misuse reduction plan is to assess your community. A community assessment tells you about your community's readiness to implement prevention, treatment, and justice-related programs to address substance use and misuse. An assessment also provides an overview of the risk and protective factors present in the community, helping your coalition plan more effectively.

Community Profile

County Name Dearborn	
County Population as of 2020 census 49,458	
White	48,102 97.22%
Two or More Races	466 0.94%
Black or African American	431 0.87%
Asian	279 0.56%
Some Other Race	137 0.28%
American Indian and Alaska Native	50 0.10%
Native Hawaiian and Other Pacific Islander	14 0.03%

Schools in the community

Three districts: Lawrenceburg Community Schools (Primary, Central Elementary, Greendale Middle and Lawrenceburg High School), South Dearborn Community Schools (Aurora, Dillsboro & Manchester Elementary, South Dearborn Middle and South Dearborn High School) Sunman-Dearborn Community Schools (Sunman, North Dearborn and Bright Elementary, Sunman Dearborn Middle and East Central High School)

Parochials: St. John Lutheran, St. Mary Catholic and St. Lawrence Catholic

Preschools/Headstart: 14

Medical care providers in the community (hospitals, health care centers, medical centers/clinics, etc.)

St. Elizabeth Dearborn

Dearborn County Health Department

VIMDOS free clinic

Lawrenceburg Urgent Care

VA Center

Mental health care providers in the community (hospitals with psychiatric/behavioral health units, mental health clinics, private/public providers, etc.)

St. Elizabeth Dearborn

Community Mental Health

Bridges Counseling

Choices Coordinated Care solutions

Anchor Counseling

Service agencies/organizations

Resources and referrals: Southeast Indiana Economic Opportunity Corporation, United Way of Greater Cincinnati, River Valley Resources

Churches: Beecher Presbyterian, Berean Baptist, Bright Christian, Dearborn Hills Methodist, Hamline Chapel, United Methodist, Independent Bible, Lawrenceburg Church of Christ, Ludlow Hill Baptist, St. John Lutheran, St. Teresa Benedicta, Tanner Valley United Methodist, Trinity Christian, Union Valley Baptist, Zion United, Church of Christ, Community Fellowship, JHOB Worship Center, St. Lawrence Catholic, Trinity Episcopal, Liberty Temple, Bullitsburg Baptist, First Episcopal Bible, Full gospel Christian, Nazarene Parsonage, Wesleyan Church.

Local media outlets that reach the community

Register Publications, The Bright Beacon,

Eagle 99.3 WSCH, WRBI Radio

What are the substances that are most problematic in your community?

Alcohol

Nicotine

Methamphetamine

List all **substance use/misuse services/activities/programs** presently taking place in the community:

CMHC-Unity House in-patient recovery services, Southeast Indiana Treatment Center-medication assisted recovery, Choices-CERT Recovery team, 1Voice-challenge to change, Purdue Extension-Strengthening families, Dearborn County Health Department-TPC programming, St. Elizabeth Dearborn Recovery support services – St. Lawrence -Jail ministry, Youth Encouragement Services, National Alliance of Mental Illness, Dearborn/Ohio County Prosecutors Office Diversion programming, Jail Chemical Addiction Program, Faith Recovery Network, Bib Brother Big Sister of Greater Cincinnati-mentoring program, One Community One Family-Parent café trauma informed care, Youth Move SE Indiana, Dearborn County Community Action Recovery Effort, Groups Recover Together, Celebrate recovery, Dearborn County Youth Ambassadors

Community Risk and Protective Factors

Use the list of risk and protective factors to identify those present in your community. Identify the resources/assets and limitations/gaps that exist in your community related to each. The lists are not all-inclusive and others may apply.

Risk Factors Examples: trauma and toxic stressors; poverty violence; neighborhood characteristics; low neighborhood attachment; community disorganization; community norms and laws favorable toward drug use, firearms, and crime; availability of alcohol and other drugs; weak family relationships; family substance use; peer substance use; mental health problems; families moving frequently from home to home; limited prevention and recovery resources.

Protective Factors Examples: strong family relationships; neighborhood economic viability; low childhood stress; access to health care; access to mental health care; community-based interventions; restricted access to alcohol and other drugs including restrictive laws and excise taxes; safe, supportive, and connected neighborhoods; meaningful youth engagement opportunities; local policies and practices that support healthy norms and child-youth programs; positive connection to adults.¹ Risk and protective factors extracted from IUPUI Center for Health Policy Community Conditions Favorable for Substance Use, April 2018.

Risk Factors	Resources/Assets	Limitations/Gaps
Youth access to alcohol Low perceived risk of alcohol Parental/peer attitudes favorable towards drug and alcohol use Family substance misuse	Engaged coalition partners working together on prevention efforts DCYA – LCC youth sector implementing environmental scans for prevention purposes	Substance misuse efforts not coordinated throughout Adult and youth Access to transportation creates barriers to accessing services Community norms are favorable to alcohol use
Mental health challenges reported by youth Low protective factors related to the communities that care assessment Parental/peer attitudes favorable towards drug and alcohol use Weak family relationships	Engaged coalition partners working together on prevention efforts School system willingness to partner with local resources	Limited Access to behavioral health resources Community lack of understanding in available resources Family dynamics are atypical
Trauma and toxic stressors	Engaged Community partners in efforts related to decrease substance abuse in our county	Limited access to behavioral health resources Lack of transportation and funds create barriers to accessing services
Protective Factors	Resources/Assets	Limitations/Gaps

Local policies and practices that support healthy norms	Dearborn county Community Action Recovery Effort Local school distric efforts to promote social emotional learning for grades K-12 Community partner programming	County geography limits mobility and connection to resources that are available to support healthy norms Misunderstanding by community of “healthy norms”
Community-based interventions	Trauma informed education New evidence based practices implemented in local mental health agenies School based interventions	Lack of knowledge in existing resources Lack of transportation and access to care High ration of mental health providers; county residents
Meaningful youth engagement opportunities	Big Brothers Big Sisters mentoring program Purdue Extensiion 4-H programs DCYA youth programming School based extracurricular activities	Lack of financial means and transportation create barriers to access opportunities, youth lack transportation to attend activities Family connections are strained

Making A Community Action Plan

Now that you have completed a community assessment and have identified the risk and protective factors that exist, you can develop a plan of action. The Comprehensive Community Plan (CCP) is a systematic and community-driven gathering, analysis, and reporting of community-level indicators for the purpose of identifying and addressing local substance use problems.

- Step 1: Create problem statements, and ensure problems statements are in line with statutory requirements
- Step 2: Ensure your problem statements are evidence-informed, then prioritize
- Step 3: Brainstorm what can be done about each
- Step 4: Prioritize your list, and develop SMART goal statements for each
- Step 5: List the steps to achieve each goal

Step 1: Create + Categorize Problem Statements

Create problem statements as they relate to each of the identified risk factors.

Risk Factors	Problem Statement(s)
<p>Youth access to alcohol</p> <p>Low perceived risk of alcohol and other drug use</p> <p>Parental/peer attitudes are favorable towards drug/alcohol use</p> <p>Family substance use</p>	<p>1-Youth in Dearborn county use and misuse alcohol</p> <p>2- Youth access to alcohol increases their use and misuse of the substance</p> <p>3-Youth alcohol use is seen as a “rite of passage”</p>
<p>Mental health challenges reported among our youth</p> <p>Low protective factors related to the communities that care assessment</p> <p>Parental/peer attitudes favorable towards drug and alcohol use</p> <p>Weak family relationships</p>	<p>1-Youth in Dearborn county report low protective factors</p> <p>2-Access to behavioral health services are limited</p> <p>3-Family structure and dynamics contribute to low protective factors among local youth</p>
<p>Trauma and toxic stressors</p> <p>Poverty</p> <p>Community norms and laws favorable towards use of alcohol and other drugs</p> <p>Availability of alcohol and other drugs</p>	<p>1-Adults in Dearborn county use and misuse alcohol and other drugs</p> <p>2-Stigma surrounding substance use disorder create barriers to accessing treatment services in Dearborn county</p> <p>3-Lack of and access to: resources for substance use disorders create barriers for adults to access treatment</p>

Step 2: Evidence-Informed Problem Statements

Identify your top three problem statements using local or state data. Ensure that there is a problem statement for each co-equal funding category (e.g., prevention/education; intervention/treatment; and criminal justice services and activities).

Problem Statements	Data That Establishes Problem	Data Source
<p>1-Yout in Dearborn county use and misuse alcohol</p>	<p>1-Past 30 day use of self reporting alcohol use (2018) decreased in 8th graders from 16.7% in 2014 to 13% in 2018. Increased in 9th graders from 16.1% in 2014 to 29.5% in 2018. Increased in 12th graders from 23.4% in 2014 to 37% in 2018</p> <p>2- Alcohol Outlet Density for 2020 Number of alcohol outles: 140</p>	<p>Dearborn County datasource: IU prevettion insights Indiana prevetion resource -Indiana youth survey (self reporting) 2018</p> <p>2020 Indiana Youth Insitiute Data book</p>

	<p>Rate per 10,000 population:28.3</p> <p>3- In 2020 Alcohol Outlets Non-Compliance Rates for Minimum Age Law: Of 102 completed inspections 8.8% were found non-compliant</p> <p>4-In 2020 Driving Deaths with Alcohol Involvement were 32.1%- much higher than the state rate of 19.7%</p>	
<p>2. Youth in Dearborn county have low protective factors</p>	<p>1- 2020 Number of child victims of abuse and neglect (under 18 years) 157 Rate of child victims of abuse and neglect per 1,000 children under 18 years 14.2%</p> <p>2-Percent of family households* with single parent is 30.3%</p> <p>3-Rate of child victims of abuse and neglect per 1,000 children under 18 years was 14.2%</p> <p>4-Number and Percent of Children Removed From Home Due to Parent Alcohol and/or Drug Abuse*Total Removals for Period -37 Parent Alcohol Abuse and/or Parent Drug Abuse Indicated for Removal Reason (Count) 30 Parent Alcohol Abuse and/or Parent Drug Abuse Indicated for Removal Reason 81.1%</p>	<p>Dearborn County datasource: IU prevention insights Indiana prevention resource -Indiana youth survey (self reporting) 2018</p> <p>2020 Indiana Youth Insitiute Data book</p>
<p>3.Lack of resources/ access to: resources for substance use disorders create barriers for adults to access treatment</p>	<p>Dearborn county residents reported an average number of 4.3 mentally unhealthy days per month</p> <p>Deaths from Intentional Self-Harm (Suicide) were 9</p> <p>While we lack local data to fully understand our community's awareness of service's, we know that there is also a large portion of the American population who have wanted to but did not seek treatment for themselves or</p>	<p>2020 Indiana Youth Insitiute Data book</p> <p>2019 Dearborn County Census report</p> <p>2019 Indiana Prevention Resource guide</p>

loved ones -29%-in part due to not knowing where to go if they needed this service.
 Furthermore, 53 million American adults have wanted to see a professional but were unable to for reasons outside of their control. Younger adults (i.e. Gen Z and Millenials) are less sure about resources for mental health services, compared to older generations. This younger generation was also more likely to find it too hard to figure out legitimate resources online-instead turning to unreliable sources like social media.

Substance Use Treatment Episodes*		
	Dearborn	Indiana
Total number of admissions for treatment	340	29,633
Number of admissions with alcohol use reported	154	12,753
Percent of admissions with alcohol use reported	45.3%	43.0%
Number of admissions with marijuana use reported	171	14,017
Percent of admissions with marijuana use reported	50.3%	47.3%
Number of admissions with cocaine use reported	53	3,757
Percent of admissions with cocaine use reported	15.6%	12.7%
Number of admissions with heroin use reported	132	7,142
Percent of admissions with heroin use reported	38.8%	24.1%
Number of admissions with methamphetamine use reported	104	10,824

	<p>Percent of admissions with methamphetamine use reported 30.6% 36.5%</p> <p>Number of admissions with prescription opioid use reported 147 5,621</p> <p>Percent of admissions with prescription opioid use reported 43.2% 19.0%</p> <p>*Note: Treatment data represent the number of admissions to treatment, not the number of individuals (who may be admitted to treatment more than once in a year). The data include only admissions to state-funded treatment (individuals who are at or below 200% of the federal poverty level). Information on treatment episodes <5 was suppressed due to confidentiality constraints.</p> <p>Non-Fatal Emergency Department Visits Involving Opioids – 27</p> <p>School Suspensions or Expulsions Related to Alcohol, Tobacco, and/or Drug Use* were: 250</p> <p>Number of Unique Students Receiving Suspension/Expulsion 227</p> <p>Children and Families Below Poverty was 14.9%</p> <p>Percent of families with children under 18 years below poverty level 11.1%</p> <p>Percent of female householder families (no husband present) with children under 18 years below poverty level 40.4%</p>	
--	--	--

Step 3: Brainstorm

Consider the resources/assets and limitations/gaps that were identified for each risk factor, and list what actions can be taken for each identified problem statement.

Problem Statements	What can be done (action)?
1. Dearborn County Youth use and misuse alcohol.	<ol style="list-style-type: none"> Utilize/model evidence based programs, curriculum and materials. Continue/expand existing programs, promoting healthy lifestyles and alternative activities.

	<ol style="list-style-type: none"> 3. Increase parent/caregiver awareness of the social host laws and promote positive parenting strategies. 4. Increase law enforcement and community awareness around liquor laws, sales and possession. 5. Increase community awareness and provide education on alcohol access 6. Implement evidence based substance use prevention programs through youth groups and schools 7. Provide access and connections to healthy support systems 8. Improve existing systems to expand indigent treatment and access 9. Promote and educate community research based treatment programs 10. Improve access and availability to prevention programs 11. Increase connections to community agencies
<p>2. Dearborn county youth report low protective factors.</p>	<ol style="list-style-type: none"> 1. Utilize/model evidence based programs, curriculum and materials that support social and emotional development 2. Continue/expand existing programs promoting healthy lifestyles and alternative activities 3. Support community utilization of services and agencies within Dearborn county 4. Implement evidence based life skills training and substance use prevention programs in school corporations 5. Provide access and connection to resources to support healthy systems in our community 6. Improve existing systems to expand indigent treatment and access. 7. Promote and educate community research based prevention programs 8. Assist with the promotion of qualified treatment and service providers 9. Support a trauma informed community model utilizing the “Handle with care” plan 10. Encourage and support training opportunities for school employees, parents and other community mentors 11. Promote positive social norms in our community

	12. Utilize an implement asset development strategies county-wide.
3. Lack of and access to resources create barriers to intervention/treatment for substance use disorders	<ol style="list-style-type: none"> 1. Facilitate and support the Justice and Mental Health Collaboration program among the Dearborn County criminal justice system, behavioral health providers and law enforcement using the Sequential Intercept Model and the Stepping Up initiative. 2. Support the Recovery-oriented systems of care initiative of Dearborn county 3. Increase community awareness of available resources and services for treatment options 3. Assit in the promotion of research based treatment programs 4. Improve existing systems to expand indigent treatment and access 5. Educate community to reduce stigma and increase awareness of alcohol/drug misuse and addiction.

Step 4: Develop SMART Goal Statements

For each problem statement, prioritize your list of what can be done. Choose your top two actions for each. Then, develop goal statements that demonstrate what change you hope to achieve and by when you hope to achieve it.

Problem Statement #1	
Goal 1: Increase parent/caregiver awareness of social host laws and promote positive parenting strategies.	<ul style="list-style-type: none"> • Implement a yearly calendar of social,earned and paid media campaigns regarding social host laws by October 2021.
Goal 2: Increase evidence based prevention curriculum in schools	<ul style="list-style-type: none"> • By the start of the 2021-2022 school year in August each school district will have scheduled programming on substance use/misuse and prevention provided by a coalition partner.
Problem Statement #2	
Goal 1: Increase self reported protective factors according to the Communitites that care assessment in grades 8-12 across all county districts by assisting schools and community based organizations with implementing social emotional learning programs.	<ul style="list-style-type: none"> • Provide training opportunity on Botvin life skills for Juvenile Detention Center employees and staff of one school district by December 2021.
Goal 2: Increase access to behavioral health service and knowledge of other complimentary community services.	<ul style="list-style-type: none"> • Provide an updated services resource booklet to the following agencies: Department of child services, Juvenile probation/Circuit Court 2, and school district counselors/SRO's by the end of academic year 2021-2022

<ul style="list-style-type: none"> Facilitate one information session for local educators during professional developments days in each of the three local districts by the end of the academic year 2021-2022. Provide trauma informed resources to criminal justice system by the end of 2021.
Problem Statement #3
<p>Goal 1: Educate community to reduce stigma and increase awareness of alcohol/drug misuse and addiction.</p> <ul style="list-style-type: none"> Create, distribute and assist coalition partners to provide programming related to understanding trauma and building healthy outcomes with positive experiences to county residents by December 2021. Continue to send monthly RX safety and awareness newsletter/social media posts and participate in the Kroger RX bag campaign through December 2021.
<p>Goal 2: Increase access to recovery services among county residents.</p> <ul style="list-style-type: none"> Provide assistance with the Community resource guide created to support the Quick Response Team of Dearborn County. Provide assistance in printing and providing to business sector. Assist the criminal justice system in the facilitation of the sequential intercept model while utilizing resources from the Stepping Up initiative.

Step 5: Plans to Achieve Goals

For each goal, list the steps required to achieve each

Problem Statement #1	Steps
<p>Goal 1: Goal 1: Increase parent/caregiver awareness of social host laws and promote positive parenting strategies.</p> <ul style="list-style-type: none"> Implement a yearly calendar of social, earned and paid media campaigns regarding social host laws by October 2021 	<ol style="list-style-type: none"> Assess current consequences regarding social host laws in Dearborn County. Create awareness campaign related to social host laws for social media and radio building on both information about law/consequences and positive social norms. Utilizing DCYA and coalition partners input Implement and share with coalition partners
<p>Goal 2: : Increase evidence based prevention curriculum in schools</p> <ul style="list-style-type: none"> By the start of the 2021-2022 school year in August each school district will have scheduled programming on substance use/misuse and prevention provided by a coalition partner. 	<ol style="list-style-type: none"> Distribute available resources to contacts at local school districts Assess needs and availability to implement specific programming Identify local agencies/coalition partners to coordinate with during all stages
Problem Statement #2	Steps
<p>Goal 1: Increase self reported protective factors according to the Communities that care assessment in grades 8-12 across all county districts by assisting schools and community based</p>	<ol style="list-style-type: none"> Coordinate with Juvenile detention center to create plan on facilitation of Botvin life skills programming

<p>organizations with implementing social emotional learning programs.</p> <ul style="list-style-type: none"> • Provide training opportunity on Botvin life skills for Juvenile Detention Center employees and staff of one school district by December 2021 	<ol style="list-style-type: none"> 2. Distribute information on LST to local school district and asses their interest in implementation 3. Determine system to identify youth at greatest need for LSt programming
<p>Goal 2: Increase access to behavioral health service and knowledge of other complimentary community services.</p> <ul style="list-style-type: none"> • Provide an updated services resource booklet to the following agencies: Department of child services, Juvenile probation/Circuit Court 2, and school district counselors/SRO’s by the end of academic year 2021-2022 • Facilitate one information session for local educators during professional developments days in each of the three local districts by the end of the academic year 2021-2022. • Provide trauma infomraed resources to criminal justice system ny the end of 2021 	<ol style="list-style-type: none"> 1. Share resourcelist with coalition partners to ensure accuracy of information and need for changes/updates/corrections 2. Create resource packet for pediaticians and schools with help from coalition agencies 3. Distribute information
<p>Problem Statement #3</p>	<p>Steps</p>
<p>Goal 1: Educate community to reduce stigma and increase awareness of alcohol/drug misuse and addiction.</p> <ul style="list-style-type: none"> • Create, distribute and assit coalition partners to provide programming related to understanding trauma and building healthy outcomes with positive experiences to county residents by December 2021. • Continue to send montly RX safety and awareness newsletter/social media posts and participate in the Kroger RX bag campaign through December 2021. 	<ol style="list-style-type: none"> 1. Complete presentation about trauma imformed care including current available resources 2. Create list of possible audiences for presentations and possible delivery dates 3. Complete RX awareness deliverables for MOU for ISDH InCAREs grant
<p>Goal 2: Increase access to recovery services among county residents.</p> <ul style="list-style-type: none"> • Provide assistance with the Community resource guide created to support the Quick Reposnse Team of Dearborn County. Provide assistance in printing and providing to business sector. • Asssit the criminal justice system in the facilitation of the sequential intercept model while utilizing resources from the Stepping Up initiative 	<ol style="list-style-type: none"> 1. Contiune to participate in bi-monthly meetings of the Crisis Intervention Team steering committee 2. Complete SMI assessment and identify available funding opportunities 3. Assist in implementation of First Repsonder training(s)

Fund Document

The fund document allows the LCC to provide finances available to the coalition at the beginning of the year. The fund document gauges an LCC's fiscal wellness to empower their implementation of growth within their community. The fund document also ensures LCCs meet the statutory requirement of funding programs within the three categories of (1) Prevention/Education, (2) Treatment/Intervention, and (3) Criminal Justice Services and Activities (IC 5-2-11-5).

Funding Profile

Amount of funds deposited into the County Drug Free Community Fund from fees collected last year: End of 2020: \$66,365.08		
Amount of unused funds that rolled over from the previous year: \$0.00		
Total funds available for programs and administrative costs for the upcoming year: \$66,365.08		
Amount of funds granted the year prior: \$56,349.44		
How much money is received from the following entities (if no money is received, please enter \$0.00):		
Substance Abuse and Mental Health Services Administration (SAMHSA): \$0.00		
Bureau of Justice Administration (BJA): \$0.00		
Office of National Drug Control Policy (ONDCP): \$0.00		
Indiana State Department of Health (ISDH): \$0.00		
Indiana Department of Education (DOE): \$0.00		
Indiana Division of Mental Health and Addiction (DMHA): \$0.00		
Indiana Family and Social Services Administration (FSSA): \$0.00		
Local entities: \$113,000.00		
Other:		
Funding allotted to prevention/education; intervention/treatment; and criminal justice services and activities (\$100.00):		
Prevention/Education: \$16,591.27	Intervention/Treatment: \$16,591.27	Justice: \$16,591.27
Funding allotted to Administrative costs:		
<i>Itemized list of what is being funded</i>		<i>Amount (\$100.00)</i>
Partial Youth Coordinator Salary		\$11,591.27
Youth Amabssador Program (DCYA)		\$5,000
Funding allotted by Goal per Problem Statement:		
Problem Statement #1	Problem Statement #2	Problem Statement #3
Goal 1: \$5,000	Goal 1: \$3,500	Goal 1: \$2,000
Goal 2: \$2,000	Goal 2: \$1,500	Goal 2: \$1,000
