

RULES OF PLAY FOR POINTS SCORE

- 1a The game is played with a golf putter, golf balls and a lawn bowls jack
- 1b The game is played on a lawn bowls green
- 1c All participants must use a coloured or marked golf ball that can be identified
- 1d There can be any number of participants (preferably limited to 10), the game can be played individually or in pairs or teams
- 2a Play must take place in an order, the first person to play chooses where to play from and sets the distance of the jack. The jack is positioned by rolling it out by hand and then is centred in the playing lane. The first player or team will become the last to putt from the next end
- 2b The playing area is between the marked lines or boundaries of the lane, all areas outside of these lines including the gutter are deemed to be Out of Bounds. A ball must finish in the field of play to score points, any ball hit out of the playing area is deemed to be Out of Bounds and no points are awarded.
- 2c Once one end has been played the next end commences in the opposite direction
- 3a The first player to start each end can choose the position to putt from, each subsequent player must play from that same length but can move laterally to either side of the marked lane
- 3b Once one end has been played and points tallied the next end commences in the opposite direction
- 3c Points are scored relative to finish position from the jack, if there are four players or teams the ball nearest the jack scores 3 points, next closest scores 2 points, next closest 1 point, remaining team or player 0 points. If there are eight teams or players the closest ball scores 7 points, next closest 6 etc. When playing in pairs or teams the point scores are combined.
- 3d If the nearest putt at the conclusion of an end has also hit the jack either directly or through a collision with another ball 1 bonus point is awarded
- 4a A ball is considered out of bounds if it does not remain on the playing surface which is defined by marked lines or boundaries and the gutter at each end
- 4b The game is concluded when a player or team reaches a set number of points, at a certain pre-determined time limit or at a set number of ends
