

Outside Team Information for Kairos Luther #17– October 29- Nov. 1, 2026

Greetings from Terri Cook, Kairos Luther #17 Outside Leader. We are looking for volunteers to assist in our Outside Team. We work in a Commercial Licensed Kitchen, which requires each of us to have a current “Safe Food Handlers Certificate “ on file, which you can get on [trainingnow.com](https://www.trainingnow.com). There is a \$10 charge with a \$1 discount, which we will reimburse you for the full amount if you would like us to. A copy of the certificate upon your completion is required.

- 1) The weekend formally starts Thursday, the 29th of October. However, the outside work starts on Wednesday, October 28th setting up and organizing anywhere from 8:00 to 10:30am.
- 2) Thursday, we start around 8:00-8:30am and end around 5:30-6:00pm or whenever you need to leave.
- 3) Friday and Saturday, the kitchen opens at 7:00am, but we get started around 8:00-8:30am and the day ends around 5:00-5:30pm or whenever you need to leave.

As regards to our kitchen dress requirements, you should wear long or capri pants, tee shirts or short sleeve shirt, closed-toe shoes and a hat or something to cover your hair. If you have long hair, we ask that you tie it back and wear a hat or scarf.

We will have various duties available to do other than kitchen duty. Thursday afternoon, we put together the massively long prayer chain. During the weekend, we make and organize the agape (encouraging artwork and notes) that goes into the prison each day, and each day we take time to pray for the participants, staff, and Kairos Inside Team. I don't think you will get bored.

You are welcome to work on-half day, full day, or all days. Just let me know what day(s) will work best for you and you can reach me at terrikairos@gmail.com.
