November/December 2019

Volume 21 Issue 6

FROM PRESIDENT JERRY FRIEND:

Hello Tired Iron members,

Well, I am sitting up here in Michigan (Tuesday, November 26) looking out at the rainy and cold Fall day. It is raining and 46 degrees. I checked the weather at home...you guessed it, raining and 41 degrees. Just don't seem right. Anyway we are having a good time in Michigan.

Monday, we went to the Henry Ford Greenfield Village. It is a beautiful setting with old buildings and beautiful trees, and with Model T Fords driving all around the place. It is good for all of us to take a breather after our Fall Show and rest.

I heard about the storm that blew through Northwest Arkansas just after Linda and I left Arkansas. I know some suffered damage, I hope no one was hurt. The good news, (I guess) is our threshing machine did not blow over. Sorry bad joke!

I look forward to seeing everyone at our November Meeting.

Yours,

Jerry Friend,

President Tired Iron of the Ozarks
