

2025 IMI STRUCTURAL MASONRY WEBINAR SERIES 12 PM ET

January 15th

[Mastering Structural Masonry Resources](#)

February 5th

[Structural Fundamentals: The Role of Masonry Lintels in Modern Construction](#)

March 5th

[Design of Tall Brick Veneer Structures \(NEW\)](#)

April 2nd

[Design Assist: Efficiency & Constructability for Masonry](#)

May 7th

[Advancing Masonry Design for a Sustainable Future](#)

June 4th

[Resilient by Design: Seismic Principles for Masonry Structures](#)

July 2nd

[Mastering Movement in Masonry: Strategies for Resilient Design](#)

August 6th

[Mastering Masonry Shear Walls: Design & Analysis with FEA](#)

September 3rd

[Block Party: Building Better CMU Foundations](#)

October 8th

[Building with Strength Using Loadbearing Masonry Systems \(NEW\)](#)

November 5th

[Loadbearing Masonry Design: Advanced Planning Strategies \(NEW\)](#)

December 3rd

[Building the Future: Designing Durable, Efficient Masonry Schools \(NEW\)](#)
