## God's Extended Hand

### His Son

Man has a sinful nature. The Bible declares the wages of sin is death, God loves us so much, He gave his only begotten son, who died on the cross, arose from the grave, paid the penalty for our sins and purchased us a place in Heaven and offered this gift to whosoever will call upon the name of the Lord. Jesus is extending his hand of salvation to you.

**Will you receive this hand extended to you?**  
(John 6:47)

(Isaiah 53:6)
