

NFIA's 2024 Annual Scholarship Recipients

NFIA - SHETH FAMILY FOUNDATION (SFF) 2024-25 SCHOLARS

Pratik Chetan Shah, *Maharashtra, India*

Pursuing Graduate Studies at Georgia Institute of Technology in Computer Science with emphasis on Artificial Intelligence Research.

Rohit Jain, *Ohio, USA*

Finished undergraduate Studies at Case Western Reserve University. Currently studying Biology in the BS/MD track. Wish to be a Physician!

Janhavee Bhat, *Ohio, USA*

Pursuing Undergraduate studies at Georgia Institute of Technology. I am interested in Biomedical Engineering. I wish to make a positive impact in healthcare industry!

NFIA - KASHMIRIS IN GEORGIA (KIG) 2024-25 SCHOLARS

Anjika Ganjoo, *Virginia, USA*

I am pursuing undergraduate studies at Georgia Institute of Technology. Interested in studying Mechanical Engineering with emphasis on improving technological devices as an Engineer!

Ashwin Dhar, *Florida, USA*

Pursuing Undergraduate Studies combined with an accelerated path to Medical School at Florida Atlantic University (FAU). Studying Biology / Neuroscience in an accelerated 7-year guaranteed medical program to become a successful Physician!

NFIA - INNOVA SOLUTIONS (INNOVA) 2024-25 SCHOLARS

Kishan Mendpara, *Ohio, USA*

Pursuing Undergraduate Studies at Case Western Reserve University in Biomedical Engineering. Aiming to become a successful CEO.

Ishita Mannar, *Ohio, USA*

Pursuing Undergraduate Studies at Purdue University in Mechanical/Aerospace Engineering. Hope to become an aerospace engineer pioneering the way for (wo)man's first giant leap on Mars.

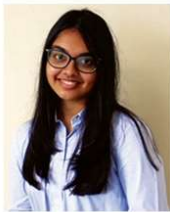

Dhruvi Dedhia, *Maharashtra, India*

Pursuing Graduate Studies at California State University, Long Beach. Information Systems. Wish to become a successful entrepreneur.

Kunal Arora, *Ohio, USA*

Pursuing Undergraduate Studies at Stanford in the area of Chemical Engineering. Wish to be an innovator in the clean-tech or biotech space.

Shipra Premal Dagli, *Maharashtra, India*

Pursuing my Masters in Computer Science at New York University, USA. Aim to be a successful Computer Scientist.

NFIA - HEARTFULNESS INSTITUTE (HI) 2024-25 SCHOLARS

Nirja Trivedi, CA, USA

Pursuing undergraduate studies at Harvard University in "Government". Wish to be a Diplomat!.

Ashish Kashyap, Connecticut, USA

Pursuing Undergraduate Studies at the University of Illinois, Urbana Champaign. Studying Nuclear, Plasma, and Radiological Engineering. Wish to be a leading figure in nuclear energy.

Bhargavi Vadla, TN, USA

Pursuing Graduate Studies in Computer Information Systems at Christian Brothers University. Wish to be a CEO of a MNC.

Swarnima Naithani, Uttrakhand, India

Pursuing graduate studies at the University of North Florida in the Brooks College of Health in the area of Science in Health with a concentration in Kinesiology and Lifestyle Medicine. After completing my Master of Science, I plan to set up my own Center and use my education to benefit our society.

Harsh Reshamwala, NY, USA

Pursuing Undergraduate Studies at Cooper Union. Studying Chemical Engineering and Computer Science. Become a Successful Entrepreneur!

Riya Kaul, Ohio, USA

Pursuing undergraduate studies at the Ohio State University in Neuroscience. Aiming to be a successful Physician.

Meesha Tanna, Ohio, USA

Pursuing undergraduate studies at University of Cincinnati, studying Business Analytics and Information Systems. Aim to be a successful and independent career-oriented professional.

NFIA - BHANDARI NIRANKARI TRUST (BNT) 2024-25 SCHOLARS

Samiksha Gaherwar, *Georgia, USA*

Samiksha Gaherwar is pursuing undergraduate studies at Princeton University where she will study Operations Research and Financial Engineering alongside Statistics and Machine Learning. Her goal is to synthesize technology and social impact for the betterment of society.

Dalika Dharod, *Mumbai, India*

I will be pursuing my graduate studies in Master of Architecture at Harvard University starting 2024-2025. My ambition is to start my own Architectural practice and boost infrastructure worldwide.

Nisk Nilesh Shah, *Texas, USA*

I am pursuing graduate studies at University of Houston, studying masters in industrial engineering (MIE). My ambition in life is to become the CEO of a top MNC in operations and supply chain sector.

Siddharth Padithaya, *Maryland, USA*

I am pursuing Undergraduate Studies at the University of Maryland - Baltimore in Computer Engineering. I wish to become a Software Engineer.

Shivani Chukka, *TN, USA*

I am pursuing Graduate studies at Christian Brothers University and wish to study in Data Science. I wish to become a Renowned Data Scientist.
