

University Analytical Facilities Network Hub

Connecting Industry Projects to University Analytical Expertise

THE CHALLENGE

- ⚠ Fragmented lab access
- 👤 Unclear points of contact
- 💰 High private lab costs
- 📧 Slow, ad-hoc university engagement

THE POLYLINK SOLUTION

- 🏛 University Research Centers
- 🔬 Advanced instrumentation
- 🎓 Faculty & Graduate Experts
- 🔑 Single Access Platform

WHAT POLYLINK OFFERS

ANALYTICAL CAPABILITIES

- 🔍 Spectroscopy
- 📷 Microscopy & Chromatography
- 🧪 Thermal & Materials Analysis
- ✓ ...and many more

EXPERTISE

- 👥 Faculty Collaboration
- 🎓 Graduate Research Support
- 📊 Applied Results

INFRASTRUCTURE

- 🏫 University-Grade Labs
- 🔄 Standardized Workflows
- 🤝 Scalable Partnerships

HOW POLYLINK WORKS

- 1 JOIN THE NETWORK
