Description:

Art on the Coast Festival is a local volunteer effort to support the artistic community. Held at the Port of Brookings Harbor, the Festival offers vendors easy parking and offloading, level spaces and ample opportunity for great sales. The Port contains restaurants, motels, RV parks, restrooms and great access to Highway 101 and is always a favorite tourist spot. Art on the Coast is a quasi-juried show with Artists being able to submit their application without photos if they have a website or social media page (Facebook, Etsy, Twitter etc.) with their current work or have participated in a local show or gallery in the last 3 years.

This is a rain or shine event. No early take downs.
