Facebook "Art on the Coast"

2022 First Annual Art on the Coast Festival Aug. 6-7

Please join us for Art on the Coast with art and music in Brookings-Harbor,
whereas the proceeds will benefit CASA in Curry County.

CASA of Coos and Curry Counties' mission is to recruit, train, and supervise volunteers to advocate for the best interests of abused and neglected children.

CASA works to help solve Oregon's foster care crisis through child advocacy, collaborative efforts, marketing, education, one on one connections, and public and private initiatives. Proceeds from this event will be used to support CASA's work in Curry County. With approximately 21% of Curry County's children in foster care the need is great! August is a wonderful month with tourists and locals in Brookings-Harbor and surrounding areas looking for great events to attend. Besides our artists, we will be offering a Children's Art Discovery Zone for our younger visitors to connect with their artistic side. What better time than August to offer Art on the Coast and bring attention to our most treasured asset, our children.
