DEPARTMENT OF NATURAL RESOURCES
LAW ENFORCEMENT DIVISION

Indiana Government Center South
402 West Washington Street, Room W255D
Indianapolis, IN 46204
Telephone: (317) 232-4010

- INSTRUCTIONS:**
1. This application must be delivered to the Law Enforcement Division at the above address no later than sixty (60) days prior to the installation of the proposed structure.
 2. **Please print clearly, illegible applications will be returned for correction.**

Name of applicant	Name of organization
Address (number and street, city, state, and ZIP code)	Telephone number ()
Request permission to install the following water recreation structure on the public waters of the State of Indiana:	
<input type="checkbox"/> Informational Buoy(s) <input type="checkbox"/> Navigational Marker(s) <input type="checkbox"/> Ski Jump <input type="checkbox"/> Swimming / Diving Platform <input type="checkbox"/> Other (Describe): _____	
The structure(s) will be installed on the public waters of _____ <i>Describe name in full.</i>	
located in _____ <i>City and County</i>	
from _____ <i>Inclusive dates (month, day, year) (Dates can not fall outside of March 15th to November 15th.)</i>	
The waters over which this structure will be placed are approximately _____ <i>Lake acreage / stream width and length</i>	
The structure(s) will be located in the vicinity of _____ <i>Describe nearest reference point(s).</i>	
Alternate dates in case primary dates are in conflict with other events or inclement weather: _____ <i>Alternate date(s) (month, day, year)</i>	
<ol style="list-style-type: none"> 1. The applicant shall attach, on the reverse side of this application, a detailed sketch of the area over which the proposed structure(s) will be installed. This sketch shall provide a description of the area capable of being fixed and marked to include as a minimum its location in respect to swimming beaches, docks, piers, or other structures used by the general public. Include on the sketch a description of the proposed structure in sufficient detail with respect to design and construction that a determination can be made as to whether hazards might be created by its erection and as to whether the structure could be classified as permanent as defined by 312 IAC 5-4-2. 2. If the structure is determined to be permanent, the applicant must comply with IC 14-25 prior to the permit being approved. Compliance can be accomplished by contacting the Department of Natural Resources, Division of Water. 3. All permits issued for recreational structures on public waters expire on November 15th of the year issued. 4. Navigational markers (aids) shall be colored white with international orange geometric shapes. If placed on water, a navigational aid must be a buoy. Buoys used as navigational aids must conform to U.S. Coast Guard standards.
