My pet is currently ON or NOT ON flea/tick prevention. If fleas/ ticks are found on your pet they WILL BE TREATED accordingly.

I authorize High Peaks Animal Hospital, and its staff to board my pet, and to supply needed vaccination, medications, food, water, and exercise. I certify that I own the above-described animal, and I do hereby consent to board and treatments that the doctor seems necessary for the health, safety, or well-being of the above animal while it is under her/his care and supervision.

If my pet should injure itself in an escape attempt, refuse food, soil itself, become ill or die while boarding. I will not hold High Peaks Animal Hospital, and staff responsible and/or liable in the absence of gross negligence. If my pet dies while in care, I understand my pet will be held at the facility for pickup.

We are not responsible for the destruction of toys, beds, and other personal items. It is in expensive or of sentimental value PLEASE do not leave it.

Vaccinations Required: Vaccinations must be current or given 48 hours prior to entry into the boarding facility and must be given by a licensed veterinarian with appropriate documentation.
