WHERE DO WE STAGE FOR THE TRAIL RUN?

There are numbered signs that go down the gravel road next to the group camp site. Line up in the staging area listed on your trail card for the appropriate day. Departure time is listed on the card as well. Make sure you get there early so you do not miss the driver's meeting.

WHERE CAN I GET GAS?

If you turn left out of the campground onto Highway 187, the gas station will be a few miles up the road on the right.
