**COLLECTION CAN CONTINUES:** The big can used for the collection of aluminum cans for recycling is in the hall behind the kitchen. Sarah is coordinating this and money from recycling is used to help fund the W2W program.

**INCLEMENT WEATHER:** Should harsh weather force the cancellation of the in-person Sunday service, you will be notified by 9 a.m. via email, One Call Now and Facebook. The service will be livestreamed @warsawchristianchurch. Also, if those who safely can want to gather to worship at church, the service can be livestreamed to the TV in fellowship hall. You can share communion there, too. We'll let you know how that works out.
