

Package 2

# THE FEATURE

£2600

7+ Minute cinematic highlight film & a 20+ minute feature film, The feature film will show more of your venue, ceremony & Speeches, and i will use segments of audio from throughout the day to better tell a story of your wedding day, by the time you have finished watching the feature film it'll feel like you have re lived the day. Also delivered by a password protected online gallery & a USB keepsake box.

With this package you will get not just me, but a second videographer too. therefore groom prep can be covered regardless of the location. This also means more angles & more footage, leading to an even more creative film.

11.5hrs of coverage from 9.30am until 9pm. The extra hour makes a huge difference, you've spent the money on the evening entertainment, why not capture you and your guests enjoying it?

Your ceremony & Speeches will be delivered in full in two separate videos alongside the final films, i cover this from 3/4 angles to make sure i capture the laughter, the tears & those little smiles.

A carefully created 60 second impactful trailer will be sent to you within a week of your big day, these are very popular and keep everyone eagerly waiting for the full film.
