2019 Friday Night at the Italian Cinema

Palio By Cosima Spender (2015) Drama, 91 Minutes In Italian with English Subtitles

Plot: Twice a year the Italian city of Siena goes crazy for the oldest horse race in the world: the Palio. Not your average race: strategy, bribery and corruption play as much a part as the skill of the riders. Horses are allocated by lot four days prior to the race. This is when the madness truly begins. In the eye of the storm stand the jockeys. Loved and loathed by the districts they represent, they forge alliances and make deals promising large cash sums to try and get the best start. Legendary rider Gigi Bruschelli has won 13 Palios in 16 years and is accused by his critics of monopolizing the race. He works the system, paying off younger jockeys and fixing the race with average horses. Two races away from beating the world record, Bruschelli will do anything to win. But one jockey stands in his way, his former trainee, a handsome young Sardinian, Giovanni Atzeni, who is quietly determined to challenge his old mentor. Less interested in bribes and collusion, he rides for the love of the race. *Palio* is the thrilling story of a young 'outsider' keen to break in to the dangerous but lucrative race and the corrupt 'insider' who has manipulated the city of Siena for a decade. Their passionate and dramatic battle is an epic and cinematic tale of Italian life in microcosm.

Trama: Due volte all'anno la città italiana di Siena impazzisce per la più antica corsa di cavalli al mondo: il Palio. Non è una corsa qualsiasi: strategia e corruzione giocano tanto quanto l'abilità dei fantini. I cavalli vengono assegnati per lotto quattro giorni prima della gara. A questo punto la follia ha veramente inizio. Nell'occhio della tempesta stanno i fantini. Amati e detestati dalle contrade che rappresentano, stringono alleanze e fanno affari promettendo ingenti somme di denaro per ottenere un vantaggio alla partenza. Il leggendario fantino Gigi Bruschelli ha vinto 13 pali in 16 anni ed è accusato dai suoi critici di monopolizzare la gara. Lavora all'interno di un sistema, paga i fantini più giovani e truffa la gara con i cavalli mediocri. A due gare dal record mondiale, Bruschelli farà di tutto per vincere. Ma un fantino è sulla sua strada per batterlo, un suo ex-allievo, un giovane e sardo, Giovanni Atzeni, che è determinato a sfidare la sua vecchia guida. Meno interessato alle bustarelle e alla collusione, partecipa per l'amore della gara. *Palio* è la storia elettrizzante di un giovane "outsider" desideroso di irrompere nella pericolosa ma lucrativa gara e nel "membro" corrotto che ha manipolato la città di Siena per un decennio. La loro battaglia, appassionata e drammatica, è un racconto epico e cinematografico della vita italiana in un microcosmo.

LOVE THAT MOVES THE SUN by Author Linda Cardillo

Vittoria - Colonna and Michelangelo Buonarroti A work of historical fiction set in turbulent 16th century Italy

He was the genius of his age; revered sculptor, painter, architect and poet; fiercely devoted friend; beleaguered artist to the popes; and a pilgrim in search of an elusive redemption.

She was an acclaimed poet; dutiful daughter; adoring yet betrayed wife; powerful political voice; spiritual seeker; suspected heretic; and the only woman Michelangelo ever loved.

Vittoria Colonna ignites the spirit of Michelangelo with love's profound terror and fierce beauty.

Cardillo's novel is a sweeping historical epic and a sensitively observed exploration of the passionate friendship between Colonna and Michelangelo. Ambitious in scope, the narrative covers 1500 to 1547, shifting between their relationship and Colonna's childhood and adolescence on the island of Ischia, her marriage to Ferrante and his betrayal of her trust, and her development as a poet. It is a stirring and emotionally resonant portrait of a pivotal relationship in the life of Michelangelo

"Cardillo gives us an intimate, rich, engrossing glimpse into the life of one of the most celebrated poets of the Renaissance and her extraordinary relationship with Michelangelo. Anyone who loves being immersed in historical detail that's woven organically into a seamless narrative will love this beautifully researched and written novel."

"Linda Cardillo's novel is an elegant portrayal of the friendship between the poet and the artist who stirred her from solitude. Intimate and perspective-driven, it explores faith, love, and the lines where public and private life converge."

A place dedicated to the Italian immigrants who gathered here as a community, Federal Hill remains a place of charm, warmth and hospitality to all who visit.

The gondola experience consists of an 18—20 minute trip along the Riverwalk in Providence, offering passengers (6 per boat) the opportunity to enjoy the sights and sounds of the city. The trip is always made complete by a little singing from your gondolier. Each guest is given handmade authentic Italian style wine biscuits.
