CII FOUNDATION

Born to a hawker and tailoress in West Bengal, Boni Basak did not let her poverty come in the way of pursuing her dreams. A district level champion in handball herself, she has successfully motivated kids in her Muslim community to follow their dreams and become first generation learners, directly

impacting 2330 children.

TowardsFuture.org Is A PalUpNow! Charity

TowardsFuture.org organized a week-long celebration for Children's Day.

Our ride pals aren't just drivers. Boni helped supervise the events and ensured the safety of the kids.

The events included watching a movie in the theatre, discussing the movie, an art competition, watching a theatre performed by adults specifically for the children, a soccer match, and other sporting events, followed by a prize distribution ceremony.
