Let's find Magic a home!

Hi! I'm Kanishka, [founder of Constant Evolve](#) and [a fitness coach at PalUpNow!](#) [for kids and seniors](#).

Magic is a tripod pit bull. He has had a traumatic past just like [Genny](#). In fact, Magic's past cost him one leg (literally)!

For those of you who don't remember, I helped [Genesis \(or Genny\) get adopted](#). Janki and I are now helping Magic find a home. Do you know anyone? Please forward this email.
