**This program is good for all regular Saturday night points events during the points season only. This program is not good toward special events or post season events after regular points season has ended. Teams must file with Bethel Motor Speedway yearly to be eligible for this program.**

**Mileage will be done with GoogleMaps based on the physical address of Bethel Motor Speedway (361 Horseshoe Lake Road, Swan Lake, NY 12783).**

**If the above driver travels over 100 miles and less than 125 miles one way based on their driver's license information and via GoogleMaps, they will receive 1 weekly complimentary pit pass based on the above criteria.**

**If the above driver travels over 125 miles one way based on their driver's license information via GoogleMaps, they will receive 2 weekly complimentary pit passes based on the above criteria.**

**Drivers who incur \$30. or more in toll costs round trip, (must provide toll receipts from toll authority) will receive \$30. compensation toward toll costs.**

**This program is a bonus incentive program to reward our higher mileage traveling teams, as well teams with higher toll costs. This incentive can be revoked at any time. The mileage determination will be based on the shortage mileage determined via GoogleMaps and your driver's license.**
