

## ***Bethel's 'Catskill Clash' Weekend holds true to its name and sends 23 different drivers to Victory Lane!***

October 18th, 2020:

**White Lake, NY:** Beautiful cool crisp mid October weather allowed for a busy weekend as the speedway hosted its annual 'Catskill Clash'. 15 divisions of racing classes ran this past weekend highlighted by the 'Catskill Clash 100' and 'Sullivan 100'. By the time the last checker fell on the final feature, 23 different drivers had won a feature and visited Victory Lane.

The Asphalt Modifieds had Twin 25 features which found three-point title contenders battling it out in the final night of points. John Cote won the first feature in a barnburner to capture his third win of the season. The second feature found Dan Archiere picking up his first career feature win at Bethel. Archiere's was a popular victory as he thanked his family especially his son who is an avid reader of the area auto racing news.

Dirt Modified racing action was hot and heavy with division top guns each collecting trophy hardware. Jamie Yannone won the first one while Bill Deckelman won the second feature.
