## **Safety Rules for Bounce House Use**

For the safety of all participants, the following rules must be followed at all times: 1. Adult Supervision: An adult (18+) must supervise the bounce house at all times. 2. Capacity: Limit the number of children inside according to the operator's instructions (generally 6–8 small children or 3–4 older kids). 3. Age/Size Groups: Do not mix small children with larger children at the same time. 4. No Shoes: All shoes, glasses, and sharp objects must be removed before entering. 5. No Food or Drinks: No food, candy, gum, or drinks inside the bounce house. 6. No Rough Play: No flips, wrestling, pushing, climbing on walls, or hanging on netting. 7. Weather: Do not use in rain, storms, or winds over 15 mph. Immediately shut off the blower and evacuate if weather changes. 8. Power: Keep the blower plugged in and running at all times while in use. Do not allow children near the blower or cords. 9. Surface: Bounce house must remain on a flat, clean surface with the tarp in place under the unit. 10. Pets: No animals are allowed inside or near the bounce house. 11. Emergency: In case of injury or equipment malfunction, evacuate immediately and contact the operator. Failure to follow these rules may result in injury or damage. The renter is responsible for ensuring safe use at all times.
