TRUE VISION LANDSCAPES WARRANTY

Hardscape Warranty:

- True Vision Landscapes warrants its workmanship for two years excluding damages caused by a homeowner or acts of nature. True Vision Landscapes will determine if damages were caused by either one. True Vision Landscapes is not responsible for materials that are installed that have been discontinued and will try our best to match all products repaired as best as possible.

Softscape Warranty:

- True Vision Landscapes warrants all irrigation parts and labor for 1 year. Warranty excludes any and all damages caused by acts of nature or the homeowner. Example not under coverage would include sprinkler heads ran over by lawnmowers or broken by weed eaters.

Plants and Material Warranty:

- True Vision Landscapes warrants all plant material from 90 days from installation. Warranty excludes any and all damages caused by acts of nature or the homeowner. Example not under coverage would include improper watering times, over watering or incorrect maintenance of drip system. True Vision Landscapes will determine if damages were caused by either one or if the issue is under coverage.

True Vision Landscapes is not responsible for maintaining the landscape that has been installed by any other company, our warranty is exclusive to only work we perform.
