August 31, 2020

Dear Parents,

Welcome to a new and exciting school year at Miami Shores Elementary School! Our theme for the 2020-2021 school year is "MSES... Where Learning Takes You Places"

This parent handbook has been prepared to give you valuable information regarding school and district policies and procedures for the entire school year. In an effort to support the District's "green initiative", the Parent-Student Handbook has been placed on our website at www.miamishores elementary.net. Please take the time to read the handbook and share it with your child. Please pay special attention to our **closed campus policy**.

We invite you to take an active part in your child's education by joining the **MSE Parent Teacher Association (PTA)**. We need your help in strengthening the home-school connection. If you have any questions or concerns regarding the information in this handbook during the school year, please feel free to contact us at 305 758-5525.

Safety is our number one concern! Miami Shores Elementary School has a closed campus policy. Parents will be required to use the main entrance/parent drop off and pick up area located on N.E. 5th avenue. Parents will not be allowed to walk the students to the cafeteria or classrooms. All students in grades pre-kindergarten through first grade will be monitored in the primary hallway until official pick up time by the teacher. Second through fifth grade students will report to various spill out areas in order to socially distance.

Students must remain on the grounds from the time they arrive, even if school has not yet started, until dismissal. Students will be dismissed for appointments through the main office only following a request by the parent/guardian, in person. The individual requesting early dismissal **must** be identified as having authorization on the student's emergency contact card and produce a **valid photo ID**. Students in pre-kindergarten, kindergarten and first grade will not be dismissed early after 1:35 p.m., and students in second through fifth grades will not be dismissed early after 2:35 p.m. **This is a School Board Policy**. Students will not be allowed to sign-out on their own; they will only be released to authorized individuals as stated above.

Parents should **not** drop students to school prior to arrival time delineated in the Reopening Plan. **Breakfast is free to all students!** At dismissal time, please be advised that Miami Shores Police has prohibited parking on N.E. 5th avenue until 5 minutes before dismissal (**2:00 pm for students in pre-kindergarten, kindergarten, and first graders/3:00 pm for students in grades 2 through 5**). Miami Shores Police Department will enforce this rule.

All visitors to Miami Shores Elementary School (including volunteers and parents/guardians) must report to the main office to sign-in, receive authorization to enter the school, and be issued a **visitor or volunteer pass** (as applicable and allowable). Individuals not adhering to this policy will be asked to report to the main office for authorization and/or asked to leave the campus.

Maintaining this closed campus policy ensures the safety of our students and staff, as well as contributing to a more productive school day. **The instructional day begins at 8:35 a.m. for all our students.** It is imperative that students arrive to school on time daily. These procedures are intended to guard against unfortunate situations. It is critical that you as parents contribute directly to ensuring the safety of our students. Thank you for your cooperation with these closed campus procedures.

Sincerely,

Brenda L. Swain
Principal

Full-Time Gifted Program

Grades 1-5

The Full-Time Gifted Program is designed to fulfill the educational, psychological and social needs of gifted students by utilizing gifted strategies and providing a stimulating, cooperative environment in which students strive to actualize their individual potential. It is ideal for the gifted student to benefit from the structure of the full-time gifted program. The program provides consistency and continuity of gifted strategies as they are incorporated into all areas of the curriculum. Maximum development is encouraged in the academic areas of creative thinking and practical communication skills, leadership qualities, self-esteem, social responsibilities, critical thinking skills, independent study and research. The curriculum provides for the development of all basic skills and reinforces these skills through strategies and activities appropriate to the needs of the individual child. Students are eligible for this program after being psychologically tested by a certified and approved psychologist. Students are eligible for this program based on their IQ score. Students who meet eligibility for the Full-Time Gifted Program are placed in the program after a staffing takes place at the school site. If you are interested in having your child evaluated, please see your child's teacher or the assistant principal.

Voluntary Pre-Kindergarten Program

The Voluntary Pre-Kindergarten Program is for students who attain the age of 4 years old on or before September 1st for the year they would be attending the program. The class consists of 19 students, one teacher and a full-time paraprofessional. Students who attend this classroom use the High Scope Curriculum. Students are chosen through a lottery procedure.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Recess Program

Beginning August 2018, M-DCPS implemented recess for 20 minutes every day in all grades, Pre-Kindergarten through five. This is in addition to the regularly scheduled physical education instructional classes, which provide a sequential instructional program. Recess will not replace physical education. Recess is unstructured playtime where students have choices, develop rules for play, and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors. Students will not be denied recess as punishment or make up work.

Technology Program - Grades Pre-K-5

All students in grades K-5 will have the opportunity to attend the computer lab. This lab was designed to promote an environment where students can work constructively to create original multimedia projects while focusing on reading, writing, mathematics, communication and presentation skills, and computer literacy. Students will learn to understand the computer environment as they interact with different productivity and research applications (i.e., word processing, presentation of software, the Internet, etc.) Every classroom is equipped with computers, and all classrooms have access to the Internet and school wide servers.

BILINGUAL PROGRAM GRADES K-5

World Languages - Grades 2-5

150 minutes weekly of World Languages - Spanish (formerly Spanish-SL) instruction.

Spanish as a Second Language emphasizes oral use of the language in everyday childhood experiences. At all levels, learners develop skills within context, which build understanding of Hispanic cultures. These skills reinforce development of cognitive skills. Reading and writing serve not only to reinforce control over the oral language but also to develop literacy skills.

English Language Learners (ELL) - Grades K-5

English Language Learners (ELL) is a program, for students whose native language is other than English and who are classified as less than independent in English. It is a language arts program, which includes listening comprehension, oral expression, using the regular English curriculum.

Alternative Language Arts/HLA - Grades K-5

For those students classified as English Language Learners, the Spanish-S/Haitian Creole instruction represents the Home Language Arts portion of their curriculum and is considered as Alternative Language Arts under the Consent Decree, Past Practice, which left with the parent/guardian the decision of ELL (English Language Learner) student participation in Home Language Arts, has been superseded by the Consent Decree and State Board of Education rules, which places such decisions in the hands of the LEP Committee.

Curriculum Content in the Home Language (CCHL) - Grades K-5

Curriculum Content in the Home Language (CCHL) is designed to provide, in a language other than English, selected basic skills and concepts which are generally offered only in English. Such

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

instruction in the home language complements each curriculum in English and is offered where there are limited English proficient students in special programs.

Haitian Creole for Haitian Creole Speakers (Haitian S)

The goal of elementary Haitian-Creole S is to enable participants to become functionally literate in Haitian-Creole, to facilitate the participants' acquisition and reinforcement of skills, abilities, and concepts that are part of the English Language Arts curriculum and to aid the participants in developing an awareness of and an appreciation for Haitian-Creole Cultures.

Speech & Language Therapy Program - Grades K-5

Miami Shores Elementary School has a part-time Speech Pathologist. She works with students who have been identified as meeting criteria for speech and/or language services. The Speech Pathologist is also responsible for assessing all kindergarten students in the area of speech, language, fluency and voice. The students at Miami Shores Elementary School may be tested in the areas of Speech, Language, Fluency, Voice, and Hearing, based upon referrals from teachers, the counselor and parents. All testing and speech education services are part of Miami-Dade County Public Schools exceptional education program and are free of charge. Students who meet eligibility for the Speech/Language Program are placed in the program after testing and a staffing takes place at the school.

Division of Special Education (SPED) - Grades K-5

Miami Shores Elementary School services students, who qualify for the SPED Program, based on the states criteria. Students are staffed into this program after completing an extensive battery of psychological testing by a certified psychologist. Teachers refer the students to the School Support Team (SST); which consists of teachers, curriculum specialists, administration, a social worker, a counselor and a psychologist. This team develops strategies to be implemented with the student. The student is closely monitored and if no growth is evident, the child is referred for psychological testing.

Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$40 per week; the cost of Middle School Enrichment after school care is \$40 per week; the cost of before school care is \$20 per week and the cost of Summer Camp is \$100.00 per week. These programs are offered by one of seven providers:

- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Bullying/Cyberbullying

The School Board has adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly. Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Helpline at 305-995-CARE (2273) or the school principal. Resources:

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Discrimination/Harassment

The School Board has a prohibition against discrimination/harassment based on race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, and persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

Dismissal

Bicycle/Skateboard Riders-Students must walk bicycles onto the school grounds and on the sidewalks, adjacent to the school. Do not permit your child to ride double since this is very dangerous. Skateboards are not to be brought to school. Bicycles should be parked in the area provided on the school grounds. All bicycles should be locked. If it is raining, we urge you to return to pick up the bicycle as soon as the weather permits.

Rainy Day Dismissal - Our rainy-day dismissal plan will go into effect whenever bad weather is imminent for dismissal. All students will be retained or escorted by teachers to their assigned safe locations. It is most important that all students understand the plan for rainy days. These plans must be made in advance. Students will not be allowed to call home to make rainy day arrangements.

Walkers- Many students walk to and from school. For their information and safety, review these items with them:

- The safest route to school and home
- What to do if it rains
- Friends they can walk with

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

-Strangers in cars, what should they do

- **STUDENT DROPOFF/PICKUP**

This is a very important message to all parents who drive students to and from school. Since the majority of our students walk or ride, let's make school a safer place for all students. The County Department of Traffic and Safety has surveyed our school and has requested that parents not park in the area in front of the school, on N.E. 5th Avenue, at the time students are arriving or being dismissed. This is for your child's safety, as we will have adult supervision, in this area, before school. The Miami Shores Police Department will enforce the following safety measures. Please work with us to put these safety measures into effect. As parents, we need to show the students respect for the law by being law-abiding role models.

1. **Parents parking and leaving their cars for school business, or dismissal are to use the parking lot located on 105th Street.**
2. **Please park in a designated parking space. Please do not block parked cars or leave them unattended.**
3. **Students in grades PreK-3 are dismissed in the school driveway on NE 5th Avenue. Students in grades 4 and 5 are dismissed on NE 6th Avenue. *On Wednesdays, students in grades Pre-K-1 are dismissed on NE 105th Street.***

Early Dismissal

In the case of divorced or separated parents, the enrolling parent shall indicate on the Emergency Student Data Form the individual(s) to whom the student may be released during the school day.

Parents must come to the main office to pick up students who must be dismissed early for a dental or medical appointment. Students cannot be dismissed from their classrooms. The office has the parent/guardian to sign the student out and the student is called down to the main office to be dismissed.

Regulations require that we have on file in the office a card designating the persons who may pick up your child. Please fill out this card and return it to the office. Students will **not** be released to anyone who has not been designated by you as a person who may pick up your child. ***The designated individual must bring picture identification. Students will not be released between 1:35-2:05 p.m., or between 2:35-3:05p.m., unless it is an emergency.***

Elevator

The school elevator is to be used by individuals who are disabled or injured and cannot use the stairs.

Emergency Contact Information

Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the information in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

Fieldtrips

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy. In all cases, chaperones must be approved in advance of any fieldtrip by the administration. Only approved chaperones are permitted to accompany students during fieldtrip activities.

Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

2020-2021 Homework Plan

School Board policy recommends the following minutes that include assignments for all subject areas and teachers collectively per school day:

Safety and Security

- ***Emergency Operations Plan***

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), , the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)

- ***Fire Drills***

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Emergency Drills***

Twenty-one emergency drills, to include one monthly active shooter drill and one hostage situation or bomb threat drill, will take place during the school year according to Florida Senate Bill 7026, also known as the Marjory Stoneman Douglas High School Public Safety Act. One additional active shooter drill must take place within the first 30 days of the opening of schools. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Lockdown Procedures***

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

- ***Threat Assessments***

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- ***Visitors***

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

Miami Shores Elementary School offers a wide variety of educational activities and clubs. Throughout the school year, the students enjoy participation in the Science Fair.

The following is a list of after school extra-curricular club activities: Future Educators of America, Cheerleaders, Safety Patrols, Drumline and Chess.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Services

The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

Student Success Centers

The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

The Parent Academy

The Parent Academy supports parents in becoming more involved in their children's education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.
