

# Our Mission

We are a mother/daughter apostolate founded to increase devotion to the Blessed Virgin Mary. By the grace of God, we have consecrated ourselves totally to the Blessed Virgin Mary and strive to live out this consecration in all we are called to do. Seeking to become Her little instruments, we believe Mother Mary will accept this small gift, working through the lives of those surrendered to Her so many souls may be drawn closer to Her Beloved Son.

The Mission of Mary's Army is to evangelize through prayer, retreats, providing resources, and walking with others on their journey as they discover the immense love that Mary has for them and Her wish for all of Her children to draw nearer to Her son, Jesus.

We rely on generous donations to continue our apostolate.

Each of us have been given the mission to bring souls to Christ by virtue of our baptism. The Church calls us to advance in the spiritual life, to walk with others along their journey, and to strive for holiness.

This is no easy task. After all, we are walking in the footsteps of our crucified Savior. Yet, we must remember that Christ, while suffering on the Cross, has given us a Mother who loves us and desires only the best for our souls.

St. Louis de Montfort has written that "Total Consecration to Jesus through Mary is the surest, easiest, shortest, and most perfect means to becoming a saint."

This Mission, entrusted to us by Our Lady, seeks to spread the fire of Christ's Love through Mother Mary, aiding souls to become true disciples of Christ.

# Discipleship: A Mission of Charity

## What is a true disciple?

To answer this, we can look to Mother Mary, the perfect disciple. Mary accepted God's Will for Her life by selflessly committing Herself to Christ not only in moments of joy, but also in moments of suffering and pain. She walked with Christ to Calvary, remaining at the foot of the Cross.

Christ has asked us to walk with others, to become Christ to others. This requires us to walk with our brothers and sisters in moments of joy and suffering, not to abandon Christ within our brothers and sisters when they are in need of aid carrying their cross. However, we cannot accompany others if we have not first fled to the protection and help of Our Lord and Our Lady, knowing that we can do nothing unless we remain in Christ. (John 15:4)

Through consecrating ourselves to Mother Mary, we surrender all we have to our Loving Mother that She may bear Christ within our poor and unworthy hearts, perfecting Charity within. It is from the great Love of Christ that grace flows as we discover who we are called to be in Christ.

A true disciple not only speaks, but lives the life he speaks of. Becoming a disciple means discovering the Love of Christ and developing a relationship with Him. Mother Mary, having been so close to Him during His earthly life, now Crowned Queen of Heaven and Earth, will guide us if only we allow Her into our hearts.
