2. Jett Palmer

### Approval of Agenda

The agenda for the meeting was discussed and approved.

### Discussion

- I. Service projects (near future goal)
  - A. Solving a problem in small ways
  - B. Inviting LSI community members to join our efforts in supporting causes
    1. Bringing a team, a community together to work on a specific cause (**uses other organization's infrastructure**)
      - a) Talk with those volunteers and ask: why are you here, who are you, your story
  - C. International trips
  - D. Will also grow our internal LSI team
    1. Internship-type model?
  - E. Actions
    1. Clarify what we causes we support, who we support
    2. Partner with organizations
      - a) Thousand Rainbows
        - (1) Uniting church with the LGBTQ+ community—**building bridges in the community**
        - (2) Founder has expressed interest in partnering or mentoring
      - b) L-Squared
      - c) Girls Like Me (interested in partnering)
        - (1) Retreats are being planned
        - (2) Personal growth, spiritual development focus
  - F. Involving smaller communities by strengthening our accessibility (solidifying another bridge)
- II. Curriculum in schools and online (?)
  - A. Using pain of mistreatment, bullying to be sympathetic with others
- III. Vision shift? Becoming a “**connector**” and a volunteer facilitator

- A. Brief lesson plans with interactive speaking engagement to further development in communication, respect, social-emotional learning

**IV. Actionables:**

- A. Have special meeting for school impact project
- B. Angela is going to create a non-exhaustive list of causes and people that LSI would like to serve
  - 1. This includes mental health, specifically for youth too
- C. Angela is exploring connections with other organizations – we want to become more of a “connector” to provide organizations and causes with people who want to serve
- D. Jett is going to do some ideating, planning on how he could contribute to the school project
