If you need anything during the service, ushers in the lobby can direct you to restrooms, or the nursery.

Please fill out a blue attendance card located on the back of the pew in front of you or scan the QR Code to the right. If you have any questions or if we can help you, please let us know while you are here or call our church Office at (931) 796-5381.

# Boo's Belyeu

This week May 29<sup>th</sup> back in 1953, Edmund Hillary of New Zealand and Tenzing Norgay, of Nepal, become the [first known explorers to reach the summit](#) of Mount Everest. The tallest point on earth, the summit of Everest reaches two-thirds of the way through the air of the earth's atmosphere—at about the cruising altitude of jet airliners. Known attempts to climb Everest were recorded as far back as 1921. It is hard for us to imagine the effort they put forth to accomplish this great task. Today the number trying to reach the top is crazy between 700 to 1,000 attempt each year with about a 60 to 70% success rate. I thought it must be incredible to be on top of the world and the view must be incredible. I was mistaken. Those who reach the top get a view of an estimated 33 tons of garbage. My picture does not adequately reflect the amount of garbage found.

Isaiah 2:2 “In the last days the mountain of the LORD’s temple will be established as the highest of the mountains; it will be exalted above the hills, and all nations will stream to it. “ The prophecy is of the spiritual Jerusalem. Hebrews 12:22 “But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem, and to myriads of angels,” There will be no garbage at the end of the Christians journey. The view will be unimaginable and the joy like no other.

## Hearing Your Name

There is just something about hearing your name. On some occasions, it is scary. If your mom or dad ever calls you by your whole name—first, middle, and last—you are likely in pretty big trouble.

On other occasions, it is a special honor. Graduation ceremonies are a great example of this. Why in the world do parents, grandparents, and other family and friends sit through hours of a ceremony hearing a person they don't know reading countless names of more people they don't know? It is because when that one name is called—the one name that is special to them—it is worth all the time and energy. For the graduating student it is so special to be recognized—to have that “I did it!” moment. When so much hard work has been put in, it is nice to be acknowledged.

It is special to hear your name called at times like this. It really is. But there is something more! There is something better! What about hearing your name called by the Lord Himself? He knows the stars by name (Isa. 40:26). He knows our names, too (John 10:3; Isa. 43:1,7;45:4).

Jesus once reminded His disciples that the greatest of rejoicing should be reserved for hearing one's name called into the presence of the Lord. “Do not rejoice that the spirits are subject to you, but rejoice that your names are written in Heaven” (Luke 10:20).

On another occasion, Jesus said we should long to hear these words: “Well done, good and faithful servant” (Matt. 25:21).

The Lord knows us and one day He will call our name. What will He say when He does?
