

# ASCEND GYMNASTICS

## Corona Virus Updates

**Ascend Gymnastics Families,**

Governor Inslee announced new mandates today in an effort to curb the spread of COVID-19. Please see below for what this means for our preschool and recreational programs at Ascend Gymnastics.

We have been mandated to close from November 17th to December 14th. All classes will operate as normal on Monday, November 16th as the mandate does not take effect until 11:59pm.

Our preschool and class program will "pause" in their current session and begin again on December 14th. The second half of the session will resume on December 14th and end on December 27th.

All gymnasts attending class on Monday will be required to wear masks. Athletes must keep the mask on at all times while at Ascend Gymnastics, except while eating or drinking.

We want to thank all of our families for their continued support during this difficult time. Together we are #ASCENDSTRONG.

**Sincerely,  
Ascend Gymnastics**

Ascend Gymnastics  
Auburn, DuPont and Sumner
