

COUNTY IMPROVEMENT NOTES.

Items of Interest From the Prosperous
Back Country.

On Thursday of last week fifty tons of hay were shipped from Wildomar.

Our town has doubled in population and buildings in eight months; three new brick blocks have been completed recently, and another is under way.—*Perris New Era*.

A large number of men are at work repairing the canyon route. The road is finished to within four miles of De Luz station, and it is thought that trains will be running to that place within two weeks.—*Oceanside Herald*.

Mr. T. L. Dawson, who planted his 20-acre tract near Mt. Fairview to walnuts last year, has now added orange trees to the center of the squares. The whole tract is looking finely.—*Fallbrook Review*.

The Coronado company are laying
